ACKNOWLEDGEMENTS

United Nations Conference on Trade and Development (UNCTAD) voluntary peer reviews of competition law and policies are conducted at annual meetings of the Intergovernmental Group of Experts on Competition Law and Policy or at five-yearly United Nations Conferences to Review the United Nations Set. The substantive preparation was carried out by the Competition and Consumer Policies Branch (CCPB) of UNCTAD under the direction of Teresa Moreira, Head of CCPB.

This report was prepared for UNCTAD by Allan Mlulla, Director of Research, Mergers and Advocacy Division, Fair Competition Commission of the United Republic of Tanzania. The substantive backstopping and review of the report was the responsibility of Elizabeth Gachuri. Ebru Gokce-Dessemond and Hyejong Kwon assisted in coordinating the process with the Malawi Competition and Fair Trading Commission and the consultant as part of the UNCTAD team for the Malawi peer review on competition policy. Jacqueline Bouvier assisted in formatting the report.

UNCTAD would like to acknowledge the enriching assistance of officials of the Malawi Competition and Fair Trading Commission, in particular the peer review team led by Lewis Kulisewa under the guidance of James Kaphale, the Chief Executive Officer of the Commission, and their valuable comments on the report, as well as all the persons, representatives of public and private sector institutions, who were interviewed.
