## Note

As the focal point in the United Nations system for investment, and building on decades of experience in this area, UNCTAD, through its Division on Investment and Enterprise (DIAE), promotes understanding of key issues related to foreign direct investment and enterprise development. DIAE also assists developing countries in enhancing their productive capacities and international competitiveness through the integrated treatment of investment and enterprise development.

# Preface

The *Investment Advisory Series* provides practical advice and case studies of best policy practice for attracting foreign direct investment that contributes to sustainable development. The series draws on the experiences gained in UNCTAD's capacity- and institution-building work in developing countries and countries with economies in transition.

The series is prepared by a group of UNCTAD staff members and consultants under the guidance of James Zhan. This guide was prepared by a team led by Paul Wessendorp and comprising Carlos Griffin and Jan Smit. The guide benefited from comments and contributions from Richard Bolwijn, Chantal Dupasquier, Natalia Guerra, Joachim Karl, Jason Munyan, Yongfu Ouyang and Johanna Tiippana. It was edited by Michael Gibson and desktop published by Pablo Cortizo.

The publication was made possible by a donor contribution from the Netherlands to UNCTAD's technical cooperation programme on investment promotion.
