ACKNOWLEDGMENTS

This publication contains papers and contributions delivered at the fifth session of UNCTAD's multi-year expert meeting on trade, services and development: the role of the services economy and trade in structural transformation and inclusive development, held on 17–19 July 2017 at the Palais des Nations, Geneva, organized under the supervision of Mina Mashayekhi, Head of the Trade Negotiations and Commercial Diplomacy Branch (TNCDB) of the Division on International Trade in Goods and Services, and Commodities (DITC) of UNCTAD.

The “Services and structural transformation for development” is published in the context of the longstanding and comprehensive substantive work of UNCTAD in the area of services economy and trade for inclusive and sustainable development and for the achievement of SDGs. The publication was edited and prepared by Mina Mashayekhi and Bruno Antunes, Economic Affairs Officer of the TNCDB, DITC of UNCTAD. The major contributors are the authors of the individual papers and substantive interventions in the fifth session of the multi-year expert meeting.
