NOTES

The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the Secretariat of the United Nations concerning the legal status of any country, territory, city or area, or of its authorities, or concerning the delimitation of its frontiers or boundaries.

Symbols of United Nations documents are composed of capital letters combined with figures. Mention of such a symbol indicates a reference to a United Nations document.

Material in this publication may be freely quoted or reprinted, but acknowledgement is requested. A copy of the publication containing the quotation or reprint should be sent to the UNCTAD secretariat at: Palais de Nations, CH 1211 Geneva 10, Switzerland.

The views expressed in this publication are those of the authors and do not necessarily reflect the views of the United Nations Secretariat.

This publication has not been formally edited.

ACKNOWLEDGEMENTS

This publication is a part of a series “Exploring new trade frontiers”, commissioned by the Division on International Trade in Goods and Services, and Commodities, UNCTAD.

The analytical paper “Viewing Trans-Pacific Partnership Agreement through a Lens of Agriculture” was prepared by Clemens Boonekamp, consultant, and revised by an UNCTAD team comprising Marisa Henderson and Marina Murina. The work was completed under the overall supervision of Guillermo Valles, Director of the Division on International Trade in Goods and Services, and Commodities.

Design of cover and desktop publishing by Laura Moresino-Borini.
