

A photograph of a lush tropical forest with a variety of green trees and plants, reflected in a calm body of water. A semi-transparent grey banner is overlaid across the middle of the image, containing the title text. A thick green curved line is at the bottom of the page.

**Strengthening the capacity for integrating REDD+
projects into BioTrade strategies in Colombia**

UNITED NATIONS CONFERENCE ON TRADE AND DEVELOPMENT

**Strengthening the Capacity for
Integrating REDD+ Projects into
BioTrade Strategies in
COLOMBIA**

United Nations
New York and Geneva, 2015

NOTE

The designations employed and the presentation of the material do not imply the expression of any opinion on the part of the United Nations concerning the legal status of any country, territory, city or area, or of authorities or concerning the delimitation of its frontiers or boundaries. In addition, the designations of country groups are intended solely for statistical or analytical convenience and do not necessarily express a judgment about the stage of development reached by a particular country or area in the development process.

Material in this publication may be freely quoted or reprinted, but acknowledgement is requested, together with a copy of the publication containing the quotation or reprint to be sent to the UNCTAD Secretariat, at Palais des Nations, 1211 Geneva 10, Switzerland.

The views expressed in this publications are those of the authors and do not necessarily reflect the views of the United Nations Secretariat.

Acknowledgement

This document was prepared by Angela Duque and Catalina Sosa, UNCTAD national consultants in Colombia. It benefitted from technical inputs and support from José Antonio Gómez and Diana Mejía from Corporación Biocomercio Sostenible – Colombia (CBS), and Lorena Jaramillo Castro, UNCTAD.

The authors would like to thank all participants of the national workshop as well as all stakeholders that were interviewed and participated in this project.

UNCTAD gratefully acknowledges the support of the United Nations Development Account in the development of this study for Colombia under the project "Strengthening the capacity of policy-makers and business leaders in three BioTrade beneficiary countries in integrating REDD+ projects into BioTrade strategies".

Guillermo Valles
Director
Division on International Trade in Goods
and Services, and Commodities (DITC)

Contents

1 Emissions Reduction from Deforestation and Forest Degradation in Developing countries - REDD+	7
1.1 Contextual framework	7
1.2 Introduction to carbon market	8
1.2.1 Trends of the voluntary carbon market.....	10
1.3 Regulatory framework for forests and climate change in Colombia	11
1.4 Map of key stakeholders in regulation, design and implementation of initiatives REDD+ in Colombia	13
1.5 Regulatory gaps and limitations	15
1.6 Lessons Learned	17
1.6.1 The National Strategy for Reducing Emissions from Deforestation and Forest Degradation (ENREDD+)	17
1.6.2 REDD+ initiatives in Colombia.....	19
1.7 Financing sources for REDD+: gaps and opportunities	21
1.8 REDD+ in Colombia: strengths, needs and opportunities	22
1.9 REDD+ Initiatives and the sustainable use of biodiversity - Integrating REDD+ and BioTrade Strategies	26
2 Institutional BioTrade framework in Colombia	28
2.1 Context and background	28
2.1.1 National Sustainable BioTrade Program (NSBP)	28
2.2 Strategic lines of the NSBP	29
2.3 Institutional actors and instances related to the BioTrade in Colombia	30
2.4 Scope of BioTrade in Colombia	31
2.5 Selection criteria and prioritization of BioTrade sectors	32
2.6 Prioritized sectors in Colombia	32
2.7 Identified barriers to the development of BioTrade in Colombia per strategic line	33
3 Articulation of REDD+ strategies and BioTrade in Colombia from the perspective of the stakeholders	34
3.1 Participation of communities in joint REDD+ and BioTrade initiatives	36
3.2 Barriers in the development of joint REDD+ and BioTrade initiatives	36
3.3 Ecological additionality and economic benefits of joint REDD+ and BioTrade initiatives	37
3.4 Key elements for the development of joint REDD+ and BioTrade initiatives ...	37

Index of Figures

Figure 1. Historical value of transactions in the voluntary carbon market	10
Figure 2. National system of climate change.....	14
Figure 3. National Strategy REDD+	15
Figure 4. Distribution of the REDD+ initiatives in Colombia (Region – Community).....	19
Figure 5. Direct and indirect BioTrade actors in Colombia	30
Figure 6. Categories of BioTrade sectors.....	31
Figure 7. Key BioTrade Sectors in Colombia.....	33
Figure 8. Participants’ entities in the national workshop on REDD+ and BioTrade in Colombia	35

Index of Tables

Table 1. Limitations and legal gaps in the legislation for REDD in Colombia.....	15
Table 2. Development of the ENREDD+ in Colombia	17
Table 3. Projects under voluntaries carbon standard.....	21
Table 4. Priorities in funding of REDD+ in Colombia	21
Table 5. Actions and strategies on ENREDD+ linked with BioTrade activities	27
Table 6. Barriers to the development of BioTrade in Colombia	33

Index of Annexes

Annex 1. Map of REDD+ actors in Colombia.....	39
Annex 2. REDD+ Projects with the USAID BIOREDD+ Program	40
Annex 3. MVC initiatives in Colombia	41
Annex 4. Other projects under development.....	43
Annex 5. Aichi Targets.....	44
Annex 6. Interactions between the actors of the NSBP in Colombia by axes of development ..	46
Annex 7. Case: BIOTRADE initiative in Colombia	47
Annex 8. Reports of interviews with key stakeholders	51

Acronyms and Abbreviations

BHB	Company Bosque Húmedo Biodiverso
CAM ¹	Regional Autonomous Corporation of the High Magdalena
CAR ¹	Regional Autonomous Corporations
CAS ¹	Regional Autonomous Corporation of Santander
CBD	Convention on Biological Diversity
CBS ¹	Corporacion Biocomercio Sostenible - Colombia
CI	Conservation International
CIFOR	Center for International Forestry Research
CME	Colombian Mercantile Exchange
COCOMACIA	Communitarian Council of the Integral Peasants Association of Atrato (Consejo Comunitario Mayor de la Asociación Campesina Integral del Atrato)
CONPES ¹	National Council for Economic and Social Policy
COP	Conference of the Parties
ENS	Environmental National System
ENREDD+ ¹	National Strategy for Reducing Emission from Deforestation and Forest Degradation
EPM ¹	Empresas Públicas de Medellín (is a REDD+ Project)
FAO	Food and Agriculture Organization of the United Nations
FCPF	Forest Carbon Partnership Facility
GAUN	General Assembly of the United Nations
Gg	Gigagram
GFRA	Global Forest Resources Assessment
GHGs	Greenhouse Gases
ICCC	Intersectoral Commission on Climate Change
IDEAM ¹	Institute of Hydrology, Meteorology and Environmental Studies
IPCC	Intergovernmental Panel on Climate Change
IWG	Interdisciplinary Working Group
LMP	Land Management Plan
MARD	Ministry of Agriculture and Rural Development
MESD	Ministry of Environment and Sustainable Development
MFA	Ministry of Foreign Affairs
MFPC	Ministry of Finance and Public Credit
MHCT	Ministry of Housing, City and Territory
MME	Ministry of Mines and Energy
MT	Ministry of Transport
MHSP	Ministry of Health and Social Protection
MIDAS ¹	USAID Program – More investment for Sustainable Alternative Development
MRV	Monitoring, Reporting and Verification
NPD	National Planning Department
NSDRM	National System for Disaster Risk Management

¹ Acronym in Spanish as it is officially used.

NSBP	National Sustainable BioTrade Program
NDP	National Development Plan
NGO	Nongovernmental Organizations
NPFD	National Plan of Forestry Development
NSCC	National System on Climate Change
NPCMBES	National Policy for the Comprehensive Management of Biodiversity and its Ecosystem Services
NFO	National Forest Office
PDD	Project Design Document
PIN	Project Idea Note
REDD	Reducing Emission from Deforestation and Forest Degradation in Developing Countries
REDD+	Reducing Emission from Deforestation and Forest Degradation in Developing Countries, sustainable forest management and increasing forest carbon stocks
RNCC	Regional Nodes of Climate Change
R-PP	Readiness Preparation Proposal
REL	Reference Emissions Scenarios
SESA	Strategic Environmental and Social Assessment
SINA ¹	Environmental National System
tCO ₂	Tons of Carbon Dioxide
TNC	The Nature Conservancy
UNFCCC	United Nations Framework Convention on Climate Change
UNDP	United Nations Development Program - UNDP
UNCTAD	United Nations Conference on Trade and Development
USAID	United States Agency for International Development
WGIII	IPCC Working Group III
WWF	World Wildlife Fund for Nature
