

VIRTUAL INSTITUTE TEACHING MATERIAL ON
TRADE AND GENDER

VOLUME 1: UNFOLDING THE LINKS

VIRTUAL INSTITUTE TEACHING MATERIAL ON
TRADE AND GENDER

VOLUME 1
Unfolding the links

UNITED NATIONS

NEW YORK AND GENEVA, 2014

NOTE

The views expressed in this volume are those of the authors and do not necessarily reflect those of the United Nations.

The designations employed and the presentation of the material do not imply the expression of any opinion on the part of the United Nations concerning the legal status of any country, territory, city or area, or of its authorities, or concerning the delimitation of its frontiers or boundaries.

Material in this publication may be freely quoted or reprinted, but acknowledgement of the UNCTAD Virtual Institute is requested, together with a reference to the document number. A copy of the publication containing the quotation or reprint should be sent to the UNCTAD Virtual Institute, Division on Globalization and Development Strategies, Palais des Nations, 1211 Geneva 10, Switzerland.

The UNCTAD Virtual Institute is a capacity-building and networking programme that aims to strengthen teaching and research of international trade and development issues at academic institutions in developing countries and countries with economies in transition, and to foster links between research and policymaking.

For further information about the UNCTAD Virtual Institute, please contact:

Ms. Vlasta Macku
Chief, Virtual Institute
Division on Globalization and Development Strategies
E-mail: vlasta.macku@unctad.org
Website: <http://vi.unctad.org>

The Trade, Gender and Development Section carries out UNCTAD's work programme on trade and gender with the aim of making trade policy a force for inclusive development.

For further information about the UNCTAD work programme on trade, gender and development, please contact:

Ms. Simonetta Zarrilli
Chief, Trade, Gender and Development Section
Division on International Trade in Goods and Services,
and Commodities
E-mail: simonetta.zarrilli@unctad.org

ACKNOWLEDGEMENTS

The teaching material on Trade and Gender was jointly developed by the UNCTAD Virtual Institute, under the supervision of Vlasta Macku, and the Trade, Gender and Development Section of UNCTAD's Division on International Trade in Goods and Services, and Commodities, under the supervision of Simonetta Zarrilli.

The first volume of the material, titled "Unfolding the links", was prepared by an UNCTAD team including Simonetta Zarrilli, Irene Musselli, Elizabeth Jane Casabianca, Marzia Fontana, Mariangela Linoci, and Sheba Tejani. Comments were received from Cristian Ugarte and Vlasta Macku from the UNCTAD Virtual Institute. Design and layout were created by Hadrien Giozzo, and the publication process was managed by Nora Circosta.

The publication of this volume was made possible by the financial contribution of the Government of Finland. Additional funds were received from the Government of Norway and the United Nations Development Account project titled "Enhancing capacities of developing countries to mainstream gender in trade policy". All contributions are gratefully acknowledged.

TABLE OF CONTENTS

NOTE	ii
ACKNOWLEDGEMENTS	iii
LIST OF BOXES	vi
LIST OF FIGURES	vii
LIST OF TABLES	vii
LIST OF ABBREVIATIONS	viii

1 MODULE	<i>The trade and gender debate: Concepts, definitions and analytical frameworks</i>	1
	1 Introduction	2
	2 The economy as a gendered structure	3
	2.1 Women as workers and producers	4
	2.2 Women as traders	6
	2.3 Women as consumers	7
	2.4 Women as tax payers	8
	3 Measures of gender (in)equality	10
	3.1 Three domains of gender equality indicators	11
	3.2 Relative and absolute measures of gender inequality	11
	3.3 Availability and quality of sex-disaggregated data	12
	3.4 Gender indicators for employment, income and assets	14
	4 Trade: Definition and measurement	17
	4.1 Some preliminary distinctions	17
	4.2 The use of the concept of trade	20
	5 The trade-gender relationship	21
	5.1 A two-way relationship	21
	5.2 Gender-sensitive frameworks for the analysis of the trade-gender relationship	22
	5.3 Channels of interaction between trade and gender	22
	6 Case study on gender and trade: Angola	23
6.1 Basic facts about the economy	23	
6.2 The gender profile of Angola	24	
6.3 Basic facts about trade and trade policy	24	
6.4 Trade and gender interactions	25	
7 Mainstreaming gender in trade policy	26	
7.1 Comprehensive <i>ex-ante</i> gender impact assessments of trade agreements	27	
7.2 Negotiations of trade agreements	27	
7.3 Development assistance after the entering into force of trade agreements	28	
Exercises and questions for discussion	30	
REFERENCES	32	
2 MODULE	<i>The effects of trade on women's well-being and economic empowerment: Evidence and research methodologies</i>	35
	1 Introduction	36
	2 Women as wage workers	36
	2.1 Employment effects	36
	2.2 Wage effects	42
	3 Women as producers	46
	3.1 Theoretical expectations	46
	3.2 Existing evidence	46
	4 Women as traders	49
	4.1 Theoretical expectations	49
	4.2 Existing evidence	49

5 Women as consumers	50
5.1 Consumers of imported products	50
5.2 Consumers of public services	50
6 Women as tax payers	52
6.1 Theoretical expectations	52
6.2 Existing evidence	52
7 Conclusion	54
Exercises and questions for discussion	55
ANNEX	56
