ACKNOWLEDGEMENTS

This report was prepared under the UNCTAD/United Kingdom Department for International Development/Government of India project entitled “Strategies and preparedness for trade and globalization in India”. The work was carried out under the supervision of the Division on International Trade in Goods and Services, and Commodities, UNCTAD, by Mina Mashayekhi and Bonapas Onguglo with support from Mariona Cusi Vidal. The study was prepared by a core team consisting of Abhijit Das (Deputy Project Coordinator, UNCTAD India Project), Rashmi Banga (Senior Economist, UNCTAD India Project), Danish Hashim (Vice-President, MCX, Mumbai), Seema Bathla (Associate Professor, Jawaharlal Nehru University) and Ramaa Sambamurty (Consultant, UNCTAD India Project).

Dani Rodrik, Alan Winters, Suresh D. Tendulkar, K.L. Krishna, B.N. Goldar and Sugata Marjit provided comments and suggestions on the report. Their insightful comments are gratefully acknowledged.

A draft of this study was presented to the international conference “How are the Poor Affected By Trade”, held in New Delhi from 14 to 16 October 2008. The comments and suggestions on the draft report provided by the discussants and participants are gratefully acknowledged.

Sophie Munda carried out the desktop publishing, and the cover page was designed by Nadege Hadjemian.
