The designations employed and the presentation of the material in this publication do not imply expression of any opinion whatsoever on the part of the Secretariat of the United Nations concerning the legal status of any country, territory, city or area, or its authorities, or concerning the delimitation of its frontiers or boundaries. The Asia-Pacific region, unless otherwise specified, refers to the group of members and associate members, within the geographical region of Asia and the Pacific, of the Economic and Social Commission for Asia and the Pacific (ESCAP), which is available online at <https://www.unescap.org/about/member-states>. Partners in this publication have different regional compositions. Some countries are referred to by a shortened version of their official name. Developing Asia-Pacific refers to the ESCAP region excluding Australia, Japan and New Zealand. The content and views expressed in this publication are those of the authors and do not necessarily reflect the views or policies or carry the endorsement of the United Nations.

Reference to a commercial entity or product in this publication does not imply endorsement. Trademark names and symbols are used in an editorial fashion with no intention of infringement of trademark or copyright laws. The publishing organization does not guarantee the accuracy of the data included in this publication and accepts no responsibility for any consequences of their use.

This publication may be reproduced in whole or in part and in any form for educational or non-profit services without special permission from the copyright holder, provided acknowledgement of the source is made. ESCAP and UN-Habitat would appreciate receiving a copy of any publication that uses this publication as a source.

This publication is also available online at www.unescap.org, <http://sdghelpdesk.unescap.org> and www.unhabitat.org.
