This report is the result of a joint initiative of 15 UNDP Country Offices, the UNDP Pacific Centre, the Fiji Multi Country Office and the UNDP Bureau for Policy and Programme Support (BPPS) in New York.

The primary author of this report is Alexandra Galperin, who also developed the research methodology and covered research in Arab States, Asia and the Pacific, and Europe and the Commonwealth of Independent States. The report was co-written by Emily Wilkinson from the Overseas Development Institute, who covered research in Africa and Latin America and the Caribbean.

Technical guidance for the project was provided by Angelika Planitz on behalf of UNDP.

**RESEARCH ASSISTANCE:** Thanks are due for research assistance and written inputs from Alice Guinan, Manuel Pastor, and Martin Ras from UNDP, and Eva Comba, independent consultant, and Virginie Le Masson from ODI.

**PROJECT COORDINATION:** The country studies could not have been undertaken without the guidance and support from UNDP regional colleagues Sophie Baranes, Geraldine Becci, Aliou Dia, Armen Grigoryan, Sanny Jegillos, Zubair Murshed and Krishna Vatsa.

**COUNTRY CASE STUDIES:** Sincere thanks are extended to the many government and other stakeholders who gave their time to participate in telephone interviews.
