List of figures	i
Acknowledgement	ii
List of Abbreviations	1
Executive Summary (Arabic)	4
Executive Summary	19
1. Introduction	29
1.1 Background	30
1.2 Scope of work/ Cairo City Program	32
1.3 Reasons for section of Cairo City	33
	33
2. National Context	34
2.1 Policies	34
A. Environmental Laws	34
B. Consumer protection law	35
2.2 National Commission on Sustainable Development	35
2.3 National Steering Committee for the Preparation of the SCP Program in Cairo	36
2.4 The National Environmental Action Plan (NEAP; (2002-2017)	36
2.5 Agenda 21 and Egypt's country Profile	37
2.6 The Millennium Development Goals for Egypt (MDGs)	38
2.7 National Sustainable Development Framework Strategy	38
3. Sectoral Context	40
3.1 Solid Waste	40
A. The National Integrated Municipal Solid Waste Management	
3.2 Industrial Development	42
A. National Strategy for Industrial Development	
B. National Activities on Cleaner Production for Industry	
B.1 National Strategy and Action Plan for Cleaner Production in Egyptian Industry	
B.2 Egypt National Cleaner Production Center	
B.3 Ongoing and former National CP related Programmes in Egypt	
C. Egyptian National Program on Technology Transfer and Innovation Centers (ETTICs)	

D. Egypt's National Strategy Study on the Clean Development Mechanism	
D.1 United Nations Framework Convention on Climate Change National Focal Point	
D.2 CDM Designated National Authority	
3.3 Urban Development	57
A. The National Program for upgrading and development of informal areas (slums) in urban areas	
B. The Framework Strategy for the Development and Elimination of Slums	
3.4 Transportation and its Emissions	58
A. Air Emissions	
A.1 National Air Quality Strategy	
A.2 Environmental Information and Monitoring Program (EIMP)	
4. Cairo local Context	67
4.1 Integrated Municipal Solid Waste Management in Cairo	68
4.2 Industrial Development	71
4.3 Urban Development	72
4.4 Transportation and its Emissions	75
A. Cairo Air Improvement Project (CAIP)	
5. Analysis of Thematic Areas	80
5.1 Solid Waste Management	80
5.2 Industrial Development	88
5.3 Urban Development	93
5.4 Transportation and Air Emissions	97
6. Suggested Projects	107
6.1 Cross Cutting	107
6.2 Solid Waste	107
6.3 Industrial Development	107
6.4 Urban Development (Slums)	107
6.5 Transportation and Air Emissions	107
7. Selected Priority Projects	107
8. Conclusion and recommendation	111
9. Way Forward	117

Acknowledgment

This document is the culmination of efforts and between various entities cooperating towards the preparation of a Sustainable Consumption and Production Programme for the City of Cairo. We hereby acknowledge the effort of all entities particularly the internal working groups within the different concerned ministries who enriched the work with their valuable contributions and comments. We also acknowledge the role of the Egyptian Environmental Affairs Agency (EEAA), Cairo Governorate and the Egypt National Cleaner Production Centre (ENCPC) who contributed significantly in preparation of this document.

List of Abbreviations

African 10-YFP	African 10 Year Framework Program
AMCEN	The African Ministerial Conference Environment
BOT	Build-Operate and Transfer
CAIP	Cairo Air Improvement Program
CBD	Central Business District
CCBA	Cairo Cleansing and Beautification Authority
CDM	Clean Development Mechanism
CERs	Certified Emissions Reductions
CERUPT	Certified Emission Reduction Unit Procurement Tender
CG	Cairo Governorate
CGTD	Cairo General Traffic Department
ChL	Chemical Leasing
CIDA	Canadian International Development Agency
CMO	Cairo Metro Organization
CNG	Compressed Natural Gas
COPs	Conference of Parties
CP	Cleaner Production
CREATS	Cairo Regional Area Transport Study
CSR	Corporate Social Responsibility
CTA	Cairo Transport Authority
CU	Carbon Unit
DBO	Design-Build-Operate
DNA	Designated National Authority
DOE	Designated Operational Entity
DRTPC	Development Research and Technological Planning Center
EEAA	Egyptian Environmental Affairs Agency
EEPP	Egyptian Environment Policy Program
EIMP	Environmental Information and Monitoring Program
ENCPC	Egypt National Cleaner Production Center
ENIT	Egyptian National Institute for Transport
ENR	Egyptian National Railways
EPAP	Environmental Pollution Abatement Project
ESCOs	Energy Saving Companies
ESDF	Egyptian Social Development Fund
ESTs	Environmentally Sound Technologies
ETTIC	Egypt Technology Transfer and Innovation Center
FEI	Federation of Egyptian Industries
GAFI	General Authority for Investment and Free Zone
GAID	General Authority for Industrial Development
GCBC	Greater Cairo Bus Company
GCR	Greater Cairo Region
GDP	Gross Domestic Product
GEF	Global Environment Facility
GHG	Green House Gases
GIS	Geographical Information System
GOPP	General Organization for Physical Planning
GTZ	German Development Agency

HACCP	Hazard Analysis and Critical Control Point
HRT	Heavy Rail Transit
HW	Hazardous Waste
ILO	International Labour Organisation
IMSWM	Integrated Municipal Solid Waste Management
ISO	International Organization for Standardization
JICA	Japanese International Cooperation Agency
KPI	Key performance indicators
LAAP	Local Area Action Plan
LRT	Light Rail Transit
LULUCF	Land Use, Land-Use Change and Forestry
MDGs	Millennium Development Goals
MLV	Maximum Limit Value
MT	Ministry of Transport
MTI	Ministry of Trade and Industry
MOU	Memorandum of Understanding
MSEA	Ministry of State for Environmental Affairs
MSW	Municipal Solid Waste
NAQS	National Air Quality Strategy
NCPC	National Cleaner Production Center
NEAP	National Environmental Action Plan
NEES	National Energy Efficiency Strategy
NEPAD	The New Partnership for Africa's Development
NGOs	Non-Governmental Organizations
NMT	Non-Motorized Transport
NP	National Plans
NS	National Strategy
NSDS	National Sustainable Development Strategy
NSISWM	National Strategy for Integrated Solid Waste Management
NSMSWM	National Strategy for Municipal Solid Waste Management
NSS	National Strategy Studies
NSWMP	National Solid Waste Management Program
NUC	New Urban Community
OHSAS	Occupational Health and Safety Assessment Systems
PCF	Prototype Carbon Fund
PPP	Public-Private Partnership
R&D	Research and Development
SA	Standard for Social Accountability
SCP	Sustainable Consumption and Production
SD	Sustainable Development
SEAM	Support for Environmental Assessment and Management
SED	sustainable enterprise development
SIDA	Swedish International Development Agency
SMEs	Small Medium Enterprises
STS	Sustainable Transport Strategy
SWM	Solid Waste Management
TA	Technical Assistance
TP	Transportation Program
TRA	Traditional Residential Areas
TTICs	Technology Transfer and Innovation Centers

UN ECA	United Nation Economic Commission for Africa
UNCED	UN conference on environment and development
UNDP	United Nations Development Program
UNEP	United Nations Environmental Program
UNFCCC	United Nations Framework Convention on Climate Change
UNIDO	United Nation Industrial Development Organization
VET	Vehicles' Emission Testing
WB	World Bank
