

UNEP Global Major Groups and Stakeholders Forum prior to UNEA-2 May 21 – 22, 2016 UN Gigiri Complex, Conference Room 1, Nairobi, Kenya

Draft agenda as of 12 May 2016

Influence! Innovate! Learn! Coordinate! Cooperate! Interact! Convene! Exchange!

The second United Nations Environment Assembly (UNEA-2) will give Major Groups and Stakeholders the unique opportunity to come together prior to UNEA and to actively engage with the two-day **Global Major Groups and Stakeholder Forum 2016 (GMGSF-2016)**. GMGSF 2016 will take place on May 21 and 22 at the UN compound in Nairobi, Kenya and it will mobilize Major Groups and other Stakeholders to engage in a multi-stakeholders setting that will also include policymakers, learning from each other, developing partnerships and creating their input into UNEA-2.

Introduction

UNEA-2 will be held from 23 to 27 May 2016 under the overarching theme of *Delivering on the Environmental Dimension of the 2030 Agenda for Sustainable Development*. On May 26 and 27, a Ministerial Policy-Review Session will gather to discuss *Healthy Environment, Healthy People*. The United Nations Environment Assembly is not only the highest authority on the Environment within the United Nations. It is also an ideal platform for bringing together different stakeholders: Governments, Major Groups of Civil Society, Science and the private sector that need to work together to tackle the shared and unprecedented challenges the world is facing and deliver on the environmental dimensions of sustainable development. While governments are pivotal in strengthening the policies and regulatory frameworks that realizes the 2030 Agenda, Major Groups and Stakeholders (MGS) have a critical role in supporting the decision making process at UNEA-2, by engaging with government, sharing their expert knowledge and by ensuring that the voice of those who might be effected by decisions taken, is heard. Furthermore, Major Groups and Stakeholders are partners of UNEP and governing in implementing most of the decisions taken at UNEA.

Building on the existing strategic partnerships with and among Major Groups and Stakeholders, the **Global Major Groups and Stakeholder Forum 2016** will:

- Provide a briefing for first time participants on what is at stake at UNEA-2 and how MGS can inform the discussions and be part of a successful outcome.
- Facilitate preparations of Major Groups and Stakeholders to discuss the main UNEA themes in a multi-stakeholder setting and to prepare their input to UNEA-2.
- Foster multi-stakeholder partnerships and cooperation. The Forum is self-organized by Major Groups and Stakeholders, with the assistance of UNEP.

GMGSF- 2016 is divided into the following main sections:

1. *UNEA, Status of Negotiations and Expected Outcome*
UNEP staff and experts from MGS will give updates and background information on main UNEA resolutions and decisions and on opportunities for Major Groups and Stakeholder to participate and intervene in UNEA session. Furthermore, special sessions for “UNEA newcomers” will be organized to explain them how to contribute to the intergovernmental process
2. *Multi-stakeholder interaction on main UNEA themes and the role of MGS in multi-stakeholder partnerships, policy making and the application of the rule of law, in implementing the SDGs*
In interactive panels, representatives of all Major Groups and member states will discuss main UNEA themes
3. *MGS coordination and Preparation of UNEA 2 input*
MGS will get together in work groups to coordinate their input into UNEA
4. *The future vision for UNEA and GMGSF*
A special session on how future GMGSF can echo the increased importance of UNEA, making the GMGSF a true and unique global multi-stakeholder forum

Furthermore, the forum will provide an opportunity for an open exchange with the Executive Director of UNEP, Mr. Achim Steiner.

Participation

Participation in the GMGSF-2016 is open of representatives of Major Groups organizations accredited to UNEP, non-accredited organizations, member states and representatives of international organizations. Representatives of MGS need to register through <http://goo.gl/forms/Ev3qqvFJBN>.

Note that registration for participation in the GMGSF does not include registration for UNEA itself. For UNEA-2 participation kindly also register under: www.unep.org/unea. Non-accredited MGS organizations may not participate in UNEA itself, but in parallel events, such as the Sustainable Innovation Forum or side events and Green Room event if they received an invitation.

Expected Outcome

GMGSF-2016 will be an excellent opportunity for Major Groups and Stakeholder to network and to develop new partnerships. It will also be an opportunity to give input into those UNEA discussions and decisions that are still under discussion, to highlight emerging issues and to ensure that many voices are heard in the intergovernmental process at UNEA-2.

Draft Agenda

Saturday, May 21, 2016

Opening

9.00 – 9.30

Opening and Welcome

Leida Rijnhout, Susana Rivero Baughman (on behalf of the Major Groups Facilitating Committee)

Ibrahim Thiaw, Deputy Executive Director, UNEP

H.E. Julia Pataki, Chairperson of UNEP's Committee of Permanent Representatives, Ambassador of Romania

Session 1: UNEA, Status of Negotiations and Expected Outcome

9.30 – 11.30

UNEA 2: Significance, Structure and Expected Outcome

Presentation by Jorge Laguna-Celis, Secretary of Governing Bodies, UNEP, on Significance, Structure and General Outcome (20 minutes)

Presentation by Member State representatives on Resolution Clusters: Update on the status of resolutions and opportunities for MGS to contribute (60 minutes)
