| <b>Foreword .....</b>                                                                     | <b>ix</b> |
| <b>Introduction.....</b>                                                                  | <b>xi</b> |
| <b>Section 1 The Montreal Protocol.....</b>                                               | <b>1</b>  |
| <b>1.1 The Montreal Protocol on Substances that Deplete the Ozone Layer .....</b>         | <b>3</b>  |
| Preamble.....                                                                             | 3         |
| Article 1: Definitions.....                                                               | 4         |
| Article 2: Control Measures .....                                                         | 4         |
| Introduction to the adjustments .....                                                     | 6         |
| Article 2A: CFCs.....                                                                     | 6         |
| Article 2B: Halons .....                                                                  | 7         |
| Article 2C: Other fully halogenated CFCs.....                                             | 8         |
| Article 2D: Carbon tetrachloride.....                                                     | 8         |
| Article 2E: 1,1,1-Trichloroethane (Methyl chloroform).....                                | 9         |
| Article 2F: Hydrochlorofluorocarbons .....                                                | 9         |
| Article 2G: Hydrobromofluorocarbons .....                                                 | 10        |
| Article 2H: Methyl bromide .....                                                          | 10        |
| Article 2I: Bromochloromethane .....                                                      | 12        |
| Article 3: Calculation of control levels .....                                            | 12        |
| Article 4: Control of trade with non-Parties .....                                        | 12        |
| Article 4A: Control of trade with Parties .....                                           | 14        |
| Article 4B: Licensing.....                                                                | 14        |
| Article 5: Special situation of developing countries.....                                 | 14        |
| Article 6: Assessment and review of control measures .....                                | 17        |
| Article 7: Reporting of data.....                                                         | 17        |
| Article 8: Non-compliance .....                                                           | 18        |
| Article 9: Research, development, public awareness and exchange of information .....      | 18        |
| Article 10: Financial mechanism.....                                                      | 18        |
| Article 10A: Transfer of technology .....                                                 | 20        |
| Article 11: Meetings of the parties .....                                                 | 20        |
| Article 12: Secretariat.....                                                              | 21        |
| Article 13: Financial provisions .....                                                    | 21        |
| Article 14: Relationship of this Protocol to the Convention .....                         | 21        |
| Article 15: Signature .....                                                               | 22        |
| Article 16: Entry into force .....                                                        | 22        |
| Article 17: Parties joining after entry into force.....                                   | 22        |
| Article 18: Reservations .....                                                            | 22        |
| Article 19: Withdrawal.....                                                               | 22        |
| Article 20: Authentic texts .....                                                         | 22        |
| Annex A: Controlled substances.....                                                       | 23        |
| Annex B: Controlled substances.....                                                       | 23        |
| Annex C: Controlled substances.....                                                       | 24        |
| Annex D:* A list of products** containing controlled substances specified in Annex A..... | 26        |
| Annex E: Controlled substance .....                                                       | 26        |
| <b>1.2 Summary of control measures under the Montreal Protocol .....</b>                  | <b>27</b> |
| Annex A – Group I: Chlorofluorocarbons (CFC-11, CFC-12, CFC-113, CFC-114 and CFC-115) ... | 28        |
| Annex A – Group II: Halons (halon 1211, halon 1301 and halon 2402).....                   | 29        |

|                                                                                                                                                 |    |
|-------------------------------------------------------------------------------------------------------------------------------------------------|----|
| Annex B – Group I: Other fully halogenated CFCs (CFC-13, CFC-111, CFC-112, CFC-211, CFC-212, CFC-213, CFC-214, CFC-215, CFC-216, CFC-217) ..... | 30 |
| Annex B – Group II: Carbon tetrachloride .....                                                                                                  | 31 |
| Annex B – Group III: 1,1,1-trichloroethane (methyl chloroform) .....                                                                            | 32 |
| Annex C – Group I: HCFCs (consumption) .....                                                                                                    | 33 |
| Annex C – Group I: HCFCs (production) .....                                                                                                     | 34 |
| Annex C – Group II: HBFCs .....                                                                                                                 | 35 |
| Annex E – Group I: Methyl bromide .....                                                                                                         | 36 |
| Allowance for production to meet the basic domestic needs of Article 5(1) Parties following the Beijing Adjustments .....                       | 37 |
| Annex A – Group I: CFCs .....                                                                                                                   | 38 |
| Annex A – Group II: Halons .....                                                                                                                | 38 |
| Annex B – Group I: Other fully halogenated CFCs .....                                                                                           | 39 |
| Annex B – Group II: Carbon tetrachloride .....                                                                                                  | 39 |
| Annex B – Group III: 1,1,1-trichloroethane (methyl chloroform) .....                                                                            | 39 |
| Annex C – Group I: HCFCs .....                                                                                                                  | 40 |
| Annex E – Group I: Methyl bromide .....                                                                                                         | 40 |

## **Section 2 Decisions of the Meetings of the Parties to the Montreal Protocol ..... 41**

### **2.1 Decisions of the Meetings of the Parties to the Montreal Protocol ..... 43**

|                                                                                 |     |
|---------------------------------------------------------------------------------|-----|
| Index to the decisions .....                                                    | 44  |
| First Meeting of the Parties (Helsinki, 2–5 May 1989) .....                     | 44  |
| Second Meeting of the Parties (London, 27–29 June 1990) .....                   | 45  |
| Third Meeting of the Parties (Nairobi, 19–21 June 1991) .....                   | 46  |
| Fourth Meeting of the Parties (Copenhagen, 23–25 November 1992) .....           | 47  |
| Fifth Meeting of the Parties (Bangkok, 17–19 November 1993) .....               | 49  |
| Sixth Meeting of the Parties (Nairobi, 6–7 October 1994) .....                  | 51  |
| Seventh Meeting of the Parties (Vienna, 5–7 December 1995) .....                | 52  |
| Eighth Meeting of the Parties (San José, 25–27 November 1996) .....             | 55  |
| Ninth Meeting of the Parties (Montreal, 15–17 September 1997) .....             | 56  |
| Tenth Meeting of the Parties (Cairo, 23–24 November 1998) .....                 | 58  |
| Eleventh Meeting of the Parties (Beijing, 29 November – 3 December 1999) .....  | 59  |
| Twelfth Meeting of the Parties (Ouagadougou, 11 – 14 December 2000) .....       | 60  |
| Thirteenth Meeting of the Parties (Colombo, 16 – 19 October 2001) .....         | 61  |
| Fourteenth Meeting of the Parties (Rome, 25 – 29 November 2002) .....           | 63  |
| Fifteenth Meeting of the Parties (Nairobi, 10 – 14 November 2003) .....         | 65  |
| First Extraordinary Meeting of the Parties (Montreal, 24 – 26 March 2004) ..... | 67  |
| Sixteenth Meeting of the Parties (Prague, 22 – 26 November 2004) .....          | 68  |
| Second Extraordinary Meeting of the Parties (Montreal, 1 July 2005) .....       | 70  |
| Seventeenth Meeting of the Parties (Dakar, 12 – 16 December 2005) .....         | 71  |
| Article 1: Definitions .....                                                    | 73  |
| Decisions on controlled substances .....                                        | 73  |
| Decisions on destruction processes and technologies .....                       | 75  |
| Decisions on feedstock .....                                                    | 81  |
| Decisions on process agents .....                                               | 82  |
| Decisions on used controlled substances .....                                   | 90  |
| Decisions on other issues .....                                                 | 93  |
| Article 2: Control measures .....                                               | 94  |
| Decisions on adjustments of the control measures .....                          | 94  |
| Decisions on essential uses .....                                               | 96  |
| Decisions on essential uses: laboratory and analytical uses .....               | 104 |
| Decisions on essential uses: metered-dose inhalers (MDIs) .....                 | 107 |
| Decisions on CFCs .....                                                         | 115 |
| Decisions on halons .....                                                       | 117 |
| Decisions on carbon tetrachloride .....                                         | 121 |

|                                                                                                                     |     |
|---------------------------------------------------------------------------------------------------------------------|-----|
| Decisions on HCFCs .....                                                                                            | 122 |
| Decisions on methyl bromide .....                                                                                   | 124 |
| Decisions on quarantine and pre-shipment .....                                                                      | 129 |
| Decisions on critical-use exemptions .....                                                                          | 135 |
| Decisions on new substances .....                                                                                   | 148 |
| Decisions on other issues .....                                                                                     | 151 |
| Article 4: Control of trade with non-Parties .....                                                                  | 152 |
