ACKNOWLEDGEMENTS

This report has been jointly developed by the United Nations Environment Programme (UNEP) OzonAction Branch and Economics and Trade Branch as a contribution to the Green Economy Initiative.

The study was authored by:

Anil Markandva

Chair of Economics, University of Bath; Scientific Director, Basque Centre for Climate Change (bc3); President, European Association of Environmental and Resource Economists.

Nick Dale

Environmental Policy Specialist, Metroeconomica.

The study was peer reviewed by:

Stephen O. Andersen

Montreal Protocol expert/former negotiator, Deputy Director of United States Environmental Protection Agency (EPA) Stratospheric Ozone Protection Division, founding and current co-chair of the Montreal Protocol Technology and Economic Assessment Panel (TEAP).

Stephen DeCanio

Professor of Economics, Emeritus, University of California, USA

Shiqiu Zhang

Professor and Deputy Dean of the College of Environmental Sciences and Engineering, Director of the Institute of Environment and Economy (IoEE) at Peking University, Senior Expert member of the TEAP.

This study has benefited greatly from the insights, opinions and information gathered during the semi-structured interviews undertaken with a range of experts in our consultation process (see Annex 3 for details of this process). We acknowledge and appreciate the contributions of all those taking part in the consultations across implementing agencies, governments, industry and academia:

Mars Amanaliev

 ${\it Head of the Ozone Center of Kyrgyzstan (NOU)}.$

Stephen O. Andersen.

Lucia Antonini

European Commission, DG Climate Action, Unit C2 - Transport and Ozone.

G. Victor Buxton, Montreal Protocol expert/former negotiator, founding TEAP Co-Chair.

Marc Chasserot

Managing Director, Shecco.

Philippe Chemouny

Manager, Montreal Protocol Program, International Affairs Branch, Environment Canada.

Julia Anne Dearing

Information Management Officer, Multilateral Fund Secretariat

Derek Eaton

UNEP Economics and Trade Branch.

Kevin Fay

President, Alcalde & Fay; Executive Director, International Climate Change Partnership.

Jiří Hlaváček

Deputy Director General for International Relations and Director of the Department of Environmental Policy and Multilateral Relations, Ministry of the Environment of the Czech Republic.

Marin Kocov

Ministry of Environment and Physical Planning, Former Yugoslav Republic of Macedonia.

Tom Land

Manager of International Programs, Stratospheric Protection Division, United States Environmental Protection Agency.

Ralph Luken

Montreal Protocol expert, formerly with UNIDO Montreal Protocol Branch.

Maria Nolan

Chief Officer, Multilateral Fund Secretariat.

Roberto Peixoto

Professor at Instituto Mauá de Tecnologia in São Paulo, Co-Chair of the TEAP Refrigeration, Air Conditioning and Heat Pumps Technical Options Committee (RTOC).

Cornelius Rhein

European Commission, DG Climate Action, Unit C2 - Transport and Ozone.

Agustin Sanchez

Montreal Protocol focal point/ negotiator.

Rajendra Shende

Former Head of UNEP DTIE OzonAction Branch.

Tom Werkema

Vice-President, Regulatory Activities, Arkema Inc., USA; Vice President, ASHRAE.

Shiqiu Zhang.

The UNEP team that managed the project:

James S. Curlin

Interim Head, OzonAction Branch

Benjamin Simmons

Head, Trade, Policy and Planning Unit, Economics and Trade Branch.

Ezra Clark

Programme Officer, OzonAction Branch.

Mugure Kibe

Documentation Assistant, OzonAction Branch

Jo Chona

Networking Assistant, OzonAction Branch

Art direction & Design:

Sue Cowell

Atomo design

We also thank Julia Ann Dearing and Laura Duong of the Multilateral Fund Secretariat for review of the final draft.

UNEP would like to thank the Steering Committee, the authors, reviewers and the Secretariat for their contributions to the development of this report.

ABBREVIATIONS

Article 5 (1)	Developing country Parties to the Montreal	MB	Methyl Bromide
	Protocol whose annual per capita consumption	MCF	Methyl Chloroform
	and production of ODS is less than 0.3 kg.	MDGs	Millennium Development Goals
	These Parties are referred to in paragraph 1 of	MDI	Metered Dose Inhaler
	Article 5 of the Montreal Protocol.	MEA	Multilateral Environmental Agreement
CBA	Cost Benefit Analysis	MLF	Multilateral Fund for the Implementation of
CEIT	Countries with Economies in Transition		the Montreal Protocol
