This publication, although initiated and published by the United Nations Environment Programme (UNEP), is the result of joint efforts, inputs and commitments of over twelve multilateral environmental related Conventions and Organizations. The publication intends to ensure that existing compliance and non-compliance regimes are documented in one source to assist and support any future negotiations on the revision of existing regimes or the creation of new ones. The materials for this publication have been compiled and prepared by Ms. Simone Schiele, then an intern at UNEP and thereafter working *pro bono* together with Ms. Elizabeth Maruma Mrema, then Principal Legal Adviser and Chief, Biodiversity and Land Law and Governance Unit at the UNEP-Division of Environmental Law and Conventions.
