

Objectives and Outcomes of the Meeting

**11th Global Meeting of the
Regional Seas Conventions
& Action Plans**

Objectives

1. To develop a dialogue and collaboration with the MEAs, UN Agencies and civil society.
2. To identify the contributions of the Regional Seas Programmes to:
 - Potential projects/programmes under GEF 5.
 - The International Year of Biodiversity 2010 and its promotion in their respective regions.
 - Post 2010 biodiversity targets.
3. To discuss mechanisms to strengthen visibility and communications of the Regional Seas Programmes.

Outcomes

1. Monitoring tool on the collaboration of the Regional Seas Programmes with MEAs, UN Agencies and Civil Society.
2. Recommendations for:
 - International Waters meeting in Australia in October 2009.
 - International Year of Biodiversity 2010.
 - Post 2010 biodiversity targets.
3. Priority issues for the RSP communications task force identified.

Thank you
