July 18, 2008

Dear Sir/Madam:

We wish to advance the Government of Liberia's support through the Environmental Protection Agency and also to register our commitment to attaining a sustained partnership with the UNEP Global Mercury Partnership program.

We intend to contribute to the partnership through participation in programs relating to Mercury and also to participate in research programs to find alternatives to Mercury. We will also raise awareness of the dangers of wrong Mercury use.

Kind regards

Sincerely yours,
