Foreword

The Economic Survey is an annual publication of the Kenya National Bureau of Statistics (KNBS). It presents socio-economic highlights of the economy for the last five years. The report forms an important source of input into the budgeting process, planning, monitoring and policy formulation processes.

Vision

The Vision of the Bureau is “to be a centre of excellence in statistics production and management”

Mission

The mission of the Bureau is “to effectively manage and coordinate the entire National Statistical System to enhance Statistical Production and Utilization”.

Mandate

The KNBS is a Semi Autonomous Government Agency (SAGA) mandated by law (Statistics Act 2006) to collect, analyze and disseminate socio-economic statistics needed for planning and policy formulation in the country.

Organization

The Kenya National Bureau of Statistics comprises of six Directorates namely;

Production Statistics
Macroeconomic Statistics
Strategy and Development
Finance and Administration
Population and Social Statistics
Information and Communication Technology

Teamwork

We are committed to face challenges and opportunities of the 21st Century together with our stakeholders.
