Promoting equality
An interregional perspective

United Nations

This report is a joint effort by the Economic Commission for Africa (ECA), the Economic Commission for Latin America and the Caribbean (ECLAC), the Economic and Social Commission for Asia and the Pacific (ESCAP) and the Economic and Social Commission for Western Asia (ESCWA), in the framework of the interregional project “Promoting Equality: Strengthening the capacity of selected developing countries to design and implement equality-oriented public policies and programmes”, financed through the United Nations Development Account.

The report was coordinated by Simone Cecchini and Raúl Holz, who also prepared chapters I, III and VI. Chapter II was prepared by Adrian Gauci with support from Tumaini Bulere, Vanessa Simen Tchamyou and Kalkidan Assefa, under the overall guidance of Saurabh Sinha. Chapter IV was prepared by Patrik Andersson, Imogen Howells, Predrag Savić, Ermina Sokou and Yichun Wang. Chapter V was prepared by Oussama Safa and Angela Samara.

Valuable comments were received from Vivian Milosavljevic, Beatriz Morales, Claudia Robles, Heidi Ullman and Andres Vikat.

The opinions expressed in this document, which has not undergone formal editorial review, are the exclusive responsibility of the authors and may not represent those of the Organization.

Contents

Foreword	9
Introduction	11
Bibliography	16
I. Setting the stage: inequality and poverty in world regions	17
Introduction	17
A. Equality-oriented public policies: beyond the equality-efficiency trade off	18
B. Income inequality	19
C. Income and multidimensional poverty	21
Bibliography	24
Annex I.A1	25
II. Regional view: inequality in Africa.....	39
Introduction	39
A. Socioeconomic inequality	40
1. Income inequality: a snapshot	40
2. Drivers of inequality	43
B. Factors contributing to the decline in inequality of some countries.....	52
1. Growth and poverty gap.....	53
2. Pro-poor investments.....	53
3. Labour markets.....	54
4. Gender.....	55
5. Spatial inequalities.....	56
6. Financial inclusion	56
C. Conclusion.....	57
1. Public policy.....	57
2. Policy considerations	58
Bibliography	58
III. Latin America and the Caribbean: social protection policies to address inequality	61
Introduction	61
A. Public policies that address socio-economic stratification	64
1. Minimum wage policies.....	64
2. Policies for labour and productive inclusion	65
B. Public policies that address gender inequality.....	66

1. Care policies	67
2. Women's labour and productive inclusion.....	68
3. Pensions.....	69
C. Public policies that reduce life cycle inequalities	70
1. Childhood and adolescence.....	71
2. Youth	72
3. Old age	72
D. Public policies that reduce race and ethnic inequalities.....	73
1. Indigenous peoples.....	74
2. Afrodescendants.....	75
E. Public policies that reduce territorial inequalities	76
1. The urban-rural divide.....	77
2. Reducing segregation in cities	78
F. Concluding remarks	78
Bibliography	79
IV. Promoting Equality: a regional view from Asia and the Pacific.....	83
A. Major socioeconomic inequalities, their trends and key drivers.....	83
1. Inequality of outcome: income	83
2. Inequality of outcome: wealth	87
3. Inequality and decent work	88
4. Inequality of opportunity: access to basic services	90
B. Public policies to tackle inequalities	94
1. Social protection	94
2. Health	96
3. Education.....	97
4. Employment.....	98
5. Fiscal policies	99
C. Moving forward.....	100
1. Harness the potential of economic growth to create decent jobs.....	100
2. Broaden social protection coverage.....	100
3. Provide universal access to education, health care and basic infrastructure	100
4. Promote gender equality and women's economic empowerment	100
5. Enhance financial inclusion.....	101
6. Ensure social inclusion of vulnerable groups	101
Annex IV.A1	102
Bibliography	106
V. Informality in the Arab region: another facet of inequality	107
A. Introduction: linkages between informality and inequality.....	107
B. The prevalence of informality	109
1. A global outlook	109
2. The dynamics of informality in the Arab countries: a regional glance	111
3. What can be done? Some policy options for the Arab region	116
Bibliography	119
VI. Pro-equality policies along the life cycle: early childhood and old age.....	121
Introduction	121
A. Demographic change and development.....	123
B. Consumption and public transfers along the life cycle.....	125
C. The redistributive impact of family and early childhood social protection	131
D. The redistributive impact of pension systems	135
E. Concluding remarks	138
1. Protection policies for families and the early childhood.....	138
2. Pension systems.....	139
Bibliography	140

Figure I.A1.1	Latin America and the Caribbean (20 countries): poverty headcount ratio at \$1.90 a day (2011 PPP), around 2000/2004 and 2010/2015	25
Figure I.A1.2	Latin America and the Caribbean (20 countries): poverty headcount ratio at \$3.20 a day (2011 PPP), around 2000/2004 and 2010/2015	25
Figure I.A1.3	Arab region (10 countries): poverty headcount ratio at \$1.90 a day (2011 PPP), around 2000/2004 and 2010/2015	26
Figure I.A1.4	Arab region (10 countries): poverty headcount ratio at \$3.20 a day (2011 PPP), around 2000/2004 and 2010/2015	26
Figure I.A1.5	Africa (45 countries): poverty headcount ratio at \$1.90 a day (2011 PPP), around 2000/2004 and 2010/2015	27
Figure I.A1.6	Africa (45 countries): poverty headcount ratio at \$3.20 a day (2011 PPP), around 2000/2004 and 2010/2015	28
Figure I.A1.7	UNECE region (47 countries): poverty headcount ratio at \$1.90 a day (2011 PPP), around 2000/2004 and 2010/2015	29
Figure I.A1.8	UNECE region (49 countries): poverty headcount ratio at \$3.20 a day (2011 PPP), around 2000/2004 and 2010/2015	30
Figure I.A1.9	Asia and the Pacific (35 countries): poverty headcount ratio at \$1.90 a day (2011 PPP), around 2000/2004 and 2010/2015	31

Figure I.A1.10	Asia and the Pacific (35 countries): poverty headcount ratio at \$3.20 a day (2011 PPP), around 2000/2004 and 2010/2015	32
Figure I.A1.11	Latin America and the Caribbean (19 countries): population in multidimensional poverty, by country, 2006/2015	33
Figure I.A1.12	Arab region (11 countries): population in multidimensional poverty, by country, 2007/2014	33
Figure I.A1.13	Africa (49 countries): population in multidimensional poverty, by country, 2006/2016	34
Figure I.A1.14	UNECE region (14 countries): population in multidimensional poverty, by country, 2006/2016	35
Figure I.A1.15	Asia and the Pacific (25 countries): population in multidimensional poverty, by country, 2007/2016	35
Figure II.1	Selected world regions, poverty gap (depth of poverty) by region, 2013	40
Figure II.2	Africa, Gini index, latest year available between 2000 and 2014	41
Figure II.3	Africa, Gini coefficient, 1990-2014	42
Figure II.4	Vulnerable employment in African subregions, 2014	44
Figure II.5	Unemployment rate in selected African countries, by gender, latest available year	46
Figure II.6	Regional averages of IMR by location, latest available year	48
Figure II.7	Regional averages of stunting by location, latest available year	48
Figure II.8	Africa, account at a financial institution by subregions	50
Figure II.9	Account at a financial institution by income quintile, 2011	51
Figure II.10	Africa, reasons for borrowing, 2014	51
Figure III.1	Latin America (18 countries): share of total income, by income quintile, around 2016	62
Figure III.2	Latin America: average monthly labour income for the employed population aged 15 and over, by sex and years of schooling, national total, around 2015	63
Figure III.3	Latin America (18 countries): poverty and femininity index of poor households, 1997-2014	67
Figure III.4	Latin America (18 countries): income poverty by age group, 2014	71
Figure III.5	Latin America (9 countries): poverty rate in the indigenous population and in the non-indigenous population, about 2016	74
Figure III.6	Latin America (18 countries): population living in poverty by territory	77
Figure IV.1	Gini coefficients by region, changes between early 1990s and early 2010s	84
Figure IV.2	Changes in the Gini coefficient by country, 1990 and 2014	85
Figure IV.3	Changes in Gini coefficients by subregions, 1990/1994 and 2010/2014	86
Figure IV.4	Poverty impact of income inequality, selected Asia-Pacific countries, 1990-2014	87
Figure IV.5	Comparing billionaires' net worth in Asia-Pacific and other regions, 2017	87
Figure IV.6	Asia and Pacific (48 countries): change in total employment and in vulnerable employment, 2000-2015	88
Figure IV.7	Classification tree highlighting differences in access to full-time employment in Turkmenistan, 2015	89
Figure IV.8	Asia-Pacific (33 countries): gaps in access to full-time employment, latest available year, (2012/2016)	90

Figure IV.9	Average D-indices in Asia-Pacific countries, grouped by subregion, latest year	93
Figure IV.10	Asia and the Pacific: coverage of social protection and labour in total population, latest available year	95
Figure IV.11	Asia and the Pacific (45 countries): out of pocket expenditure on health decreasing, 1995 and 2014.....	96
Figure IV.12	Asia and the Pacific (37 countries): years in education rise as GDP per capita rises, 2013.....	97
Figure IV.13	ESCAP (17 countries): deviation from mean PISA scores in mathematics, reading and science, 2012	98
Figure IV.14	Asia and the Pacific (36 countries): taxes on income, profits and capital gains (% of revenue), 2009/2016	99
Figure VI.1	WORLD: GDP and population under 15 years old (206 countries) circa 2010	124
Figure VI.2	WORLD: GDP and total dependency ratio (206 countries), circa 2010.....	124
Figure VI.3	Overall social protection spending and old age and child social protection spending as a percentage of GDP (circa 2010)	126
Figure VI.4	Thailand: per capita consumption and income flows by age, 2004.....	127
Figure VI.5	Consumption level as a percentage of consumption of those aged 25 to 64, by region and age brackets, latest available year.....	128
Figure VI.6	Financial sources of consumption for children and youth (0-25 years) by regions and selected countries, latest available year.....	129
Figure VI.7	Financial sources of old age (65+) consumption by source and region, latest available year	129
Figure VI.8	Public transfers (inflows and outflows) along the life cycle for selected countries (per capita flows in PPP dollars), 1998/2005.....	130
Figure VI.9	Public spending on family benefits and child poverty rates	132
Figure VI.10	Spending on family benefits and inequality decrease, 2013.....	133
 Boxes		
Box 1	Three types of welfare regimes in developed countries	12
Box II.1	Variation in Gini and some structural drivers of inequality.....	42
Box V.1	Informal sector in Morocco: urbanization, corruption and taxes	112
Box V.2	Tunisia informal workers: are they better off?.....	113
Box V.3	Government initiatives to support the transition	116
