Deputy Executive Secretary

**Hamza Ali Malik**

Director, Macroeconomic Policy and Financing for Development Division

This publication was coordinated by Tientip Subhanij, Chief of Financing for Development, Shuvojit Banerjee and Zheng Jian, Economic Affairs Officers of the Macroeconomic Policy and Financing for Development Division of the Economic and Social Commission for Asia and the Pacific (ESCAP).

The editors would like to thank external reviewers Govinda Rao, Stefan Speck, Miranda Stewart, Eric Zolt, and internal reviewers Laura Altinger, Stefanos Fotiou and Aneta Nikolova, for their constructive comments on preliminary versions of the different chapters. The editors also would like to acknowledge Mary Ann Perkins for editing the manuscript, and the following colleagues for supporting the production of the book: Patchara Arunsuwannakorn, Trung Dang, Pannipa Jangvithaya, Sukanitt Jarunveshuti, and Gabriela Spaizmann.

#### **Disclaimer**

The views expressed in this document are those of the authors and do not necessarily reflect the views of the Economic and Social Commission for Asia and the Pacific (ESCAP). The designations employed and the presentation of the materials in this publication also do not imply the expression of any opinion whatsoever on the part of the Secretariat of the United Nations concerning the legal status of any country, territory, city or area or of its authorities or concerning the delimitation of its frontiers or boundaries. This publication follows the United Nations practice in references to countries. Where there are space constraints, some country names have been abbreviated. Mention of a commercial company or product in this publication does not imply endorsement by the Economic and Social Commission for Asia and the Pacific.
