

Islamic Republic of Afghanistan

Development Plan of Afghanistan Railway Network And Regional Connectivity

15/ March/ 2017

Presented by:
Eng. Mirwais Ghafari
Afghanistan Railway Authority

Introduction :

- Facilitate flows of goods, services, people and knowledge across national boundaries.
- Supporting economic growth and development

Vision:

- Afghanistan is the country that can become the land-bridge of the region,
- connecting Central Asia to South Asia,
- provide land routes for Chinese goods to Europe and serve as the hub for Silk Road's trade and transit route.
- Afghanistan can be the means of giving economic access to warm ports to Central Asian nations via connecting Chabahar port in Iran and Karachi & Gwadar ports in Pakistan .
- The realization of this vision will result in strong economic integration of the region with net increase in the economy of every country and play a significant role in reducing poverty.

Drivers of Regional Connectivity:

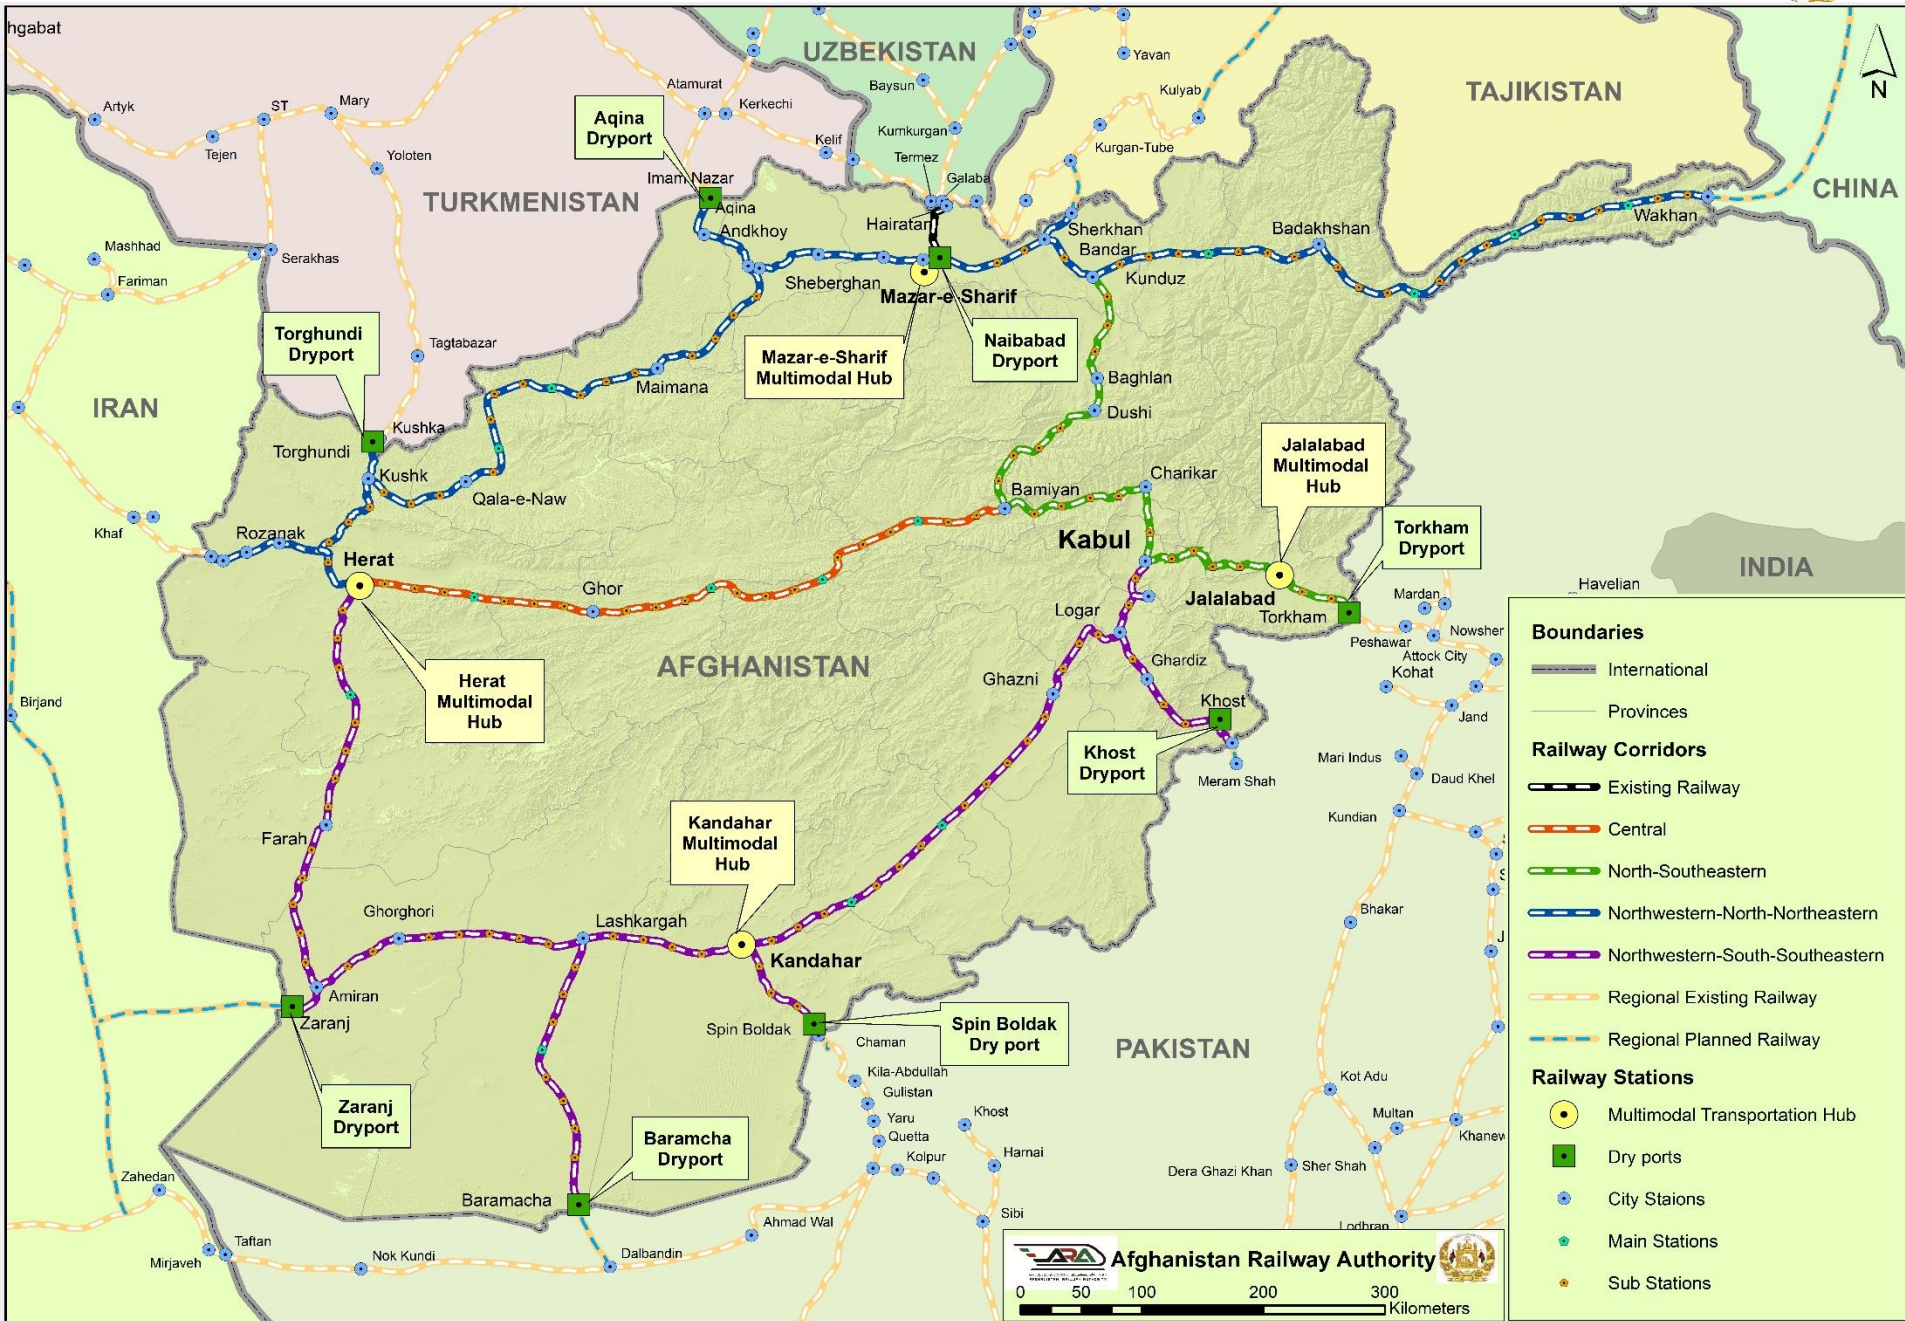

1; The Soft Infrastructure elements

: Policy ,Legal , regulatory & institutional frameworks.

2: The hard infrastructure are: Transport infrastructures such as Highways, Railways , Airports , Dry ports , Multi model logistic hubs etc..

Connectivity ,Computability and Operability through integrated Approach

A. Afghanistan railway is extended from four corridors in overall:

1. West – North – North east corridor
2. West – South – South east corridor
3. North – South corridor
4. Central corridor

B. Transportation center (multimodal Hub) is considered for below provinces:

1. Jalalabad, Nangarhar Province
2. Mazar-e Sharif(Naibabad) Balkh Province
3. Herat. Herat Province
4. Kandahar, Kandahar Province

C. Dry ports included in Afghanistan railway plan

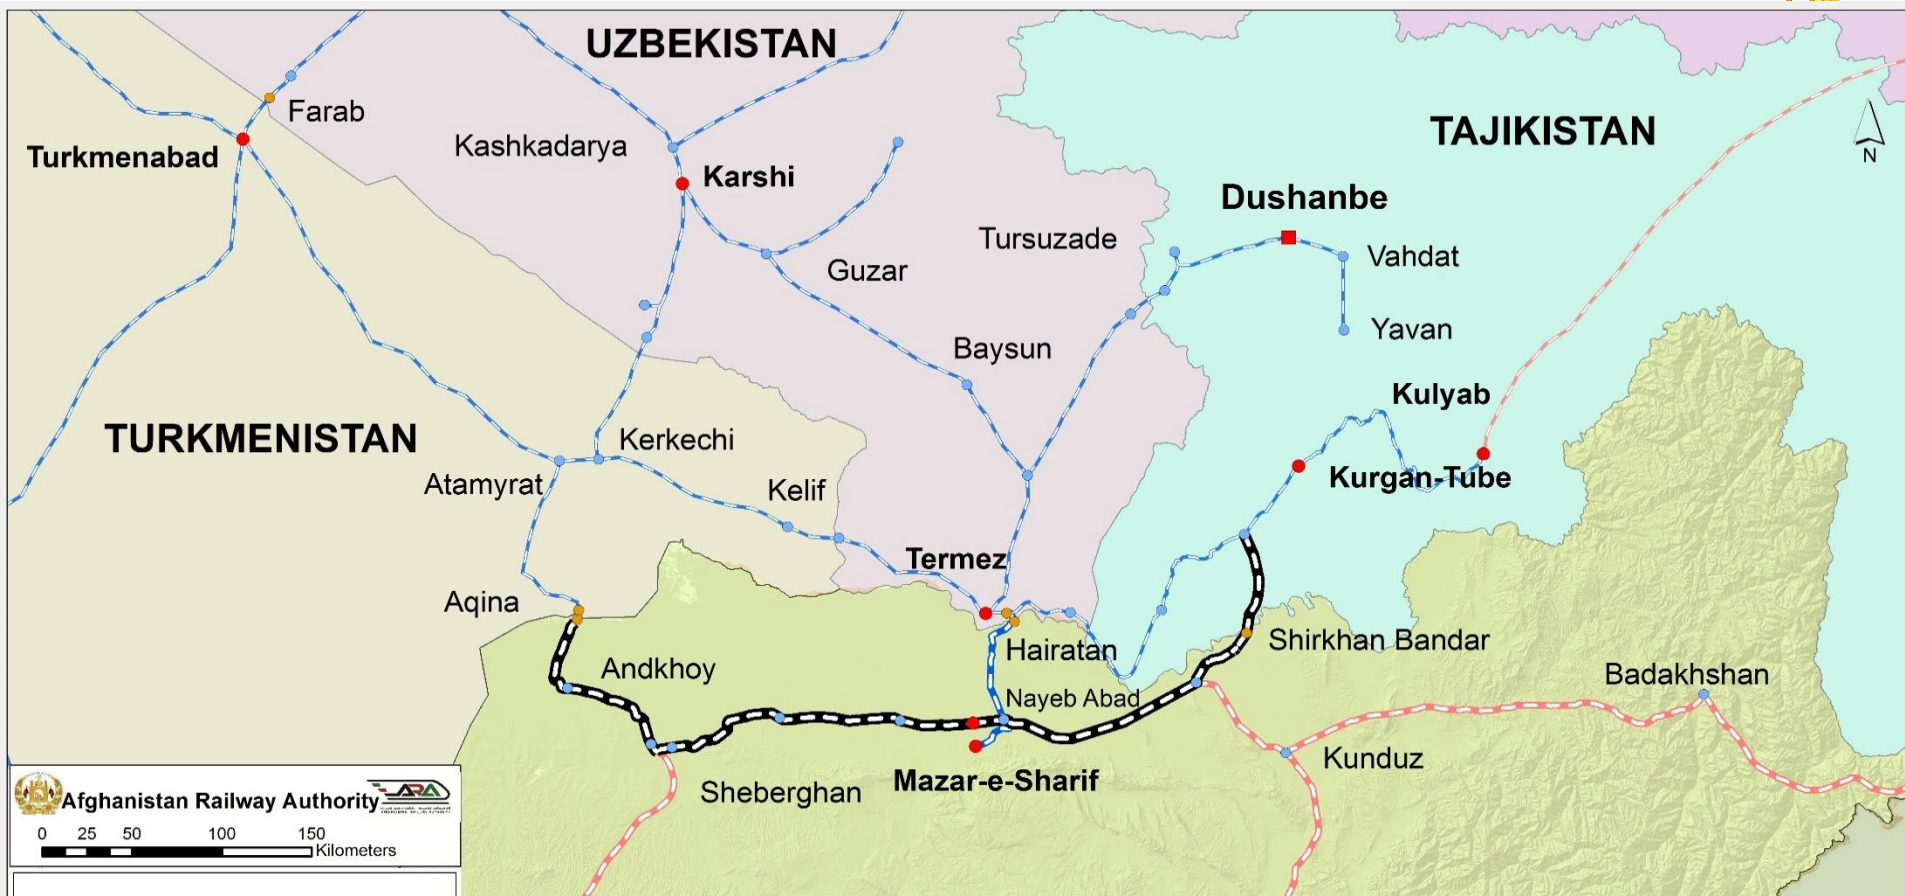

- | | | | |
|--------------|----------|----------------|--------------|
| 1. Turghundi | 2. Aqina | 3. Spin Buldak | 4. Naib Abad |
| 5. Turkham | 6. Khost | 8. Baramcha | |

Five lateral Railway Route (China, Kyrgyzstan, Tajikistan, Afghanistan, Iran)

Trilateral Railway Rout (Turkmenistan, Afghanistan, Tajikistan)
