

UNESCAP Maritime Transport Safety Questionnaire

In close collaboration with the Korea Maritime Institute, the Transport Division of UNESCAP is implementing a project aiming at improving maritime transport safety in the ESCAP region. Under the project, a survey is being conducted to assess the current status and policy of maritime transport safety in selected member countries. The information collected through the survey will serve as the input towards the development of policy recommendation for the region.

Respondent's Details

Country : _____
Name : _____
Title : _____
Organization : _____
Address : _____
Phone number : _____
e-mail : _____

Date of completing this questionnaire : _____ 2016

Please return the questionnaire by 25 November 2016
to Mr. Jeongsu Park, Transport Division, UNESCAP
fax : +66-2-288-3050, email : park20@un.org

We thank you for your cooperation and contribution.

1. Information on the country's maritime transport

1.1 Shipping company (as of 2015)		
	Number of companies	
1.1a. Cargo shipping service	Oceangoing ()	Domestics ()
1.1b. Passenger shipping service	Oceangoing ()	Domestics ()
1.2 Vessels (as of 2015)		
	Number of vessels	
1.2a. Cargo ship	Oceangoing ()	Domestics ()
1.2b. Passenger ship	Oceangoing ()	Domestics ()
1.3 Crew (as of 2015)		
	Number of crew	
1.3a. Officers	Oceangoing ()	Domestics ()
1.3b. Ratings	Oceangoing ()	Domestics ()
1.3c. Foreign crew	Oceangoing ()	Domestics ()
1.4 Routes of passenger ship (as of 2015)		
	Number of routes	
	Oceangoing ()	Domestics ()
1.5 Passenger traffic (as of 2015)		
	Number of passengers	
	Oceangoing ()	Domestics ()

2. Safety management administration

2.1 National maritime safety policy	
2.1a. Does your country set up a nation-wide maritime safety policy including implementing time table and budget? <input type="checkbox"/> Yes <input type="checkbox"/> No	
2.1b. If you said 'Yes,' what's the cycle to update/set up policies? () years	
2.2 Maritime safety organization in the government	
2.2a. Please describe your country's maritime safety-related organizations in the central and local governments. (If possible, please attach an organization chart)	
- Name of the organization for <u>prevention</u> in the 4 phases of disaster management cycle: ()	
- Name of the organization for <u>preparedness</u> in the 4 phases of disaster management cycle: ()	
- Name of the organization for <u>response</u> in the 4 phases of disaster management cycle: ()	
- Name of the organization for <u>recovery</u> in the 4 phases of disaster management cycle: ()	
2.2b. Does your country have a maritime police (or coastguard) organization? <input type="checkbox"/> Yes <input type="checkbox"/> No	

<p>2.2c. If you said 'Yes,' what's the relationship between the maritime safety organization and the maritime police (or coastguard) organization?</p> <p><input type="checkbox"/> Under the same ministry</p> <p><input type="checkbox"/> Independent organizations under the same ministry</p> <p><input type="checkbox"/> Independent organizations under different ministries</p>
<p>2.3 Vessel inspection organization</p>
<p>2.3a. Does your country have an authorized ship classification society (organization)?</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>2.3b. If your country acknowledges a foreign international Recognized Organization (RO), specify the name of classification societies.</p>
<p>2.4 Vessel Traffic Service (VTS)</p>
<p>2.4a. How many places are VTS site in your country? () places</p> <p>2.4b. How many Vessel Traffic Control Officers (VTSO)? () persons</p> <p>2.4c. Is a VTSO completed a VTSO training courses as required by International Association of Marine Aids to Navigation and Lighthouse Authorities (IALA)?</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>2.4d. Is there any organization to monitor navigation of passenger ship, besides VTS?</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>2.4e. If you said 'Yes,' please describe the monitoring organization.</p> <p>()</p>

3. Passenger ship safety management system

<p>3.1 Safety management system</p>
<p>3.1a. Is International Safety Management (ISM) Code or similar safety management system applied to domestic ships?</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>3.1b. Is International Safety Management (ISM) Code or similar safety management system applied to domestic passenger ship?</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p>
<p>3.2 Passenger ship inspection</p>
<p>3.2a. Who is responsible for inspection of passenger ships in international voyage?</p> <p><input type="checkbox"/> Government official</p> <p><input type="checkbox"/> Classification society's inspector</p> <p><input type="checkbox"/> Others ()</p> <p>3.2b. Who is responsible for inspection of passenger ships in domestic voyage?</p> <p><input type="checkbox"/> Government official</p> <p><input type="checkbox"/> Classification society's inspector</p> <p><input type="checkbox"/> Others ()</p>
<p>3.3 Passenger ship crew</p>
<p>3.3a. How many stages are in your country's certificate of competency? () stages</p> <p>3.3b. Is there any specialized certificate of competency for passenger ship officers?</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p>

3.3c. How many days are required to complete passenger ship training courses?
(Basic course: days / Advanced course: days)

3.3d. Are passenger ship crew required to receive “Leadership and Teamwork” training course as required by 2010 STCW convention?
 Yes No

3.3e. Do you feel that the qualification and capacity of domestic passenger ship crew are adequate to fulfill safe operation in your country?
 Very satisfy Satisfy Average Not satisfy

4. Maritime casualties

4.1 Statistics of accidents in maritime shipping (During last 5 years)					
year	2011	2012	2013	2014	2015
Total					
Oceangoing					
Domestics					
4.2 Statistics of passenger ship accidents (During last 5 years)					
Year	2011	2012	2013	2014	2015
Total					
Oceangoing					
Domestics					
4.3 Statistics of casualties (During last 5 years)					
year	2011	2012	2013	2014	2015
Death					
Injury					
4.4 Cause of passenger ship accidents (Average in last 5 years)					
	Overcrowding	Vessel quality	Weather	Human factor	Others
No. of causes					

5. Maritime accident investigation

5.1 Maritime accident investigating organization

5.1a. Describe your country's maritime accident investigation organization.
(Please attach an organization chart)

5.1b. Does the maritime accident investigation organization belong to an integrated type which includes other modes of transport, or is it a single stand-alone organization which excludes other modes?
 Yes No

5.1c. Are the investigation organizations divided to investigate serious and non-serious accidents? (Serious accident means the accident that more than 10 persons were dead or injured, or heavy oil pollution was occurred by ship.)
 Yes No

5.2 Maritime accident investigation process
<p>5.2a. Please describe the name of organization to be notified when a maritime accident occurs in your country? ()</p> <p>5.2b. Has the International Maritime Organization (IMO) Casualty Investigation Code been applied to your national law? <input type="checkbox"/> Yes <input type="checkbox"/> No</p>
5.3 Maritime accident investigator
<p>5.3a. Number of maritime accident investigators: () persons</p> <p>5.3b. Are there set qualifications for a maritime accident investigator? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>5.3c. Do maritime accident investigators share information and cooperate with other national organization when accident occurs with foreign vessel(s)? <input type="checkbox"/> Yes <input type="checkbox"/> No</p>
5.4 Disciplinary acts against people responsible
<p>5.4a. Is the maritime accident investigating organization separated from the disciplinary? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>5.4b. Which organization is responsible for disciplinary actions against people responsible? ()</p> <p>5.4c. How many times disciplinary actions have been taken, compared with the total number of maritime accidents in 2015?</p>

6. Search and rescue

6.1 Search and rescue (SAR) organization
<p>6.1a. Name of SAR organization ()</p> <p>6.1b. Is the oil pollution response organization included in the government SAR organization? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>6.1c. Number of SAR teams: () persons</p> <p>6.1d. Number of SAR vessels: () ships</p> <p>6.1e. Number of SAR aircrafts: () airplanes</p>
