# Bridging this gap...

...the local experts need a platform that can provide access to:

- Technical knowledge and expertise
- Capacity building support and training
- Exchange of best practices and experience with their peers in other countries of the region

...the local policy makers need a platform that can link them with the technical experts to be able to make better-informed decisions

→ **UNNExT** launched at high-level regional symposium in 2009

# UN Network of Experts for Paperless Trade in Asia and the Pacific

***“an ongoing community of knowledge  
and practice to facilitate the
