

UNNExT workshop on Paperless trade facilitation for Small and Medium-sized Enterprises

2-4 February 2015
United Nations Conference Center (UNCC)
Bangkok, Thailand

Group Discussion

Key issues and possible measures to
overcoming bottlenecks in TF

1. 3 main issues related to TF bottlenecks for SMEs
2. 3 policies / measures (in response to #1) that would support paperless TF for SMEs
3. Best practices (1 e.g.) of ICT applications for TF targeting SMEs in your country (eg. E-finance, e-payments, eCommerce, e-Registries for collaterals, secured transaction systems, platform to reduce information asymmetries, capacity building, ...)
4. Prepare ppt presentation
