

Trade facilitation policies

- To strengthen cross border trade, regional cooperation and remove trade barriers we have taken up with the ADB to construct a access road from Mangalbari- Pasakha (dry port) 1.2 km

Contd.

- To strengthen cross border facilities, we have included components to improve infrastructure at Pasakha

Contd.

- To enhance border infrastructure, with the support of the ADB we have also initiated modern facilities & equipment (ECTS) from Kolkota-P/ling (authorized tracking through satellite)

Objectives:

- Reduce cost and increase production
- Reduce/remove cross border trade by head or walk on investment projects

Expectations from this conference

- To discuss and explore ways to introduce common facility at the borders
- Simplify and expedite border formalities
- Complete missing links and connect to other high priority road and rail connections
- Improve maritime and aviation connectivity, as well as
