ü Capacity Building / Technical Assistance delivery

Importance of SMEs

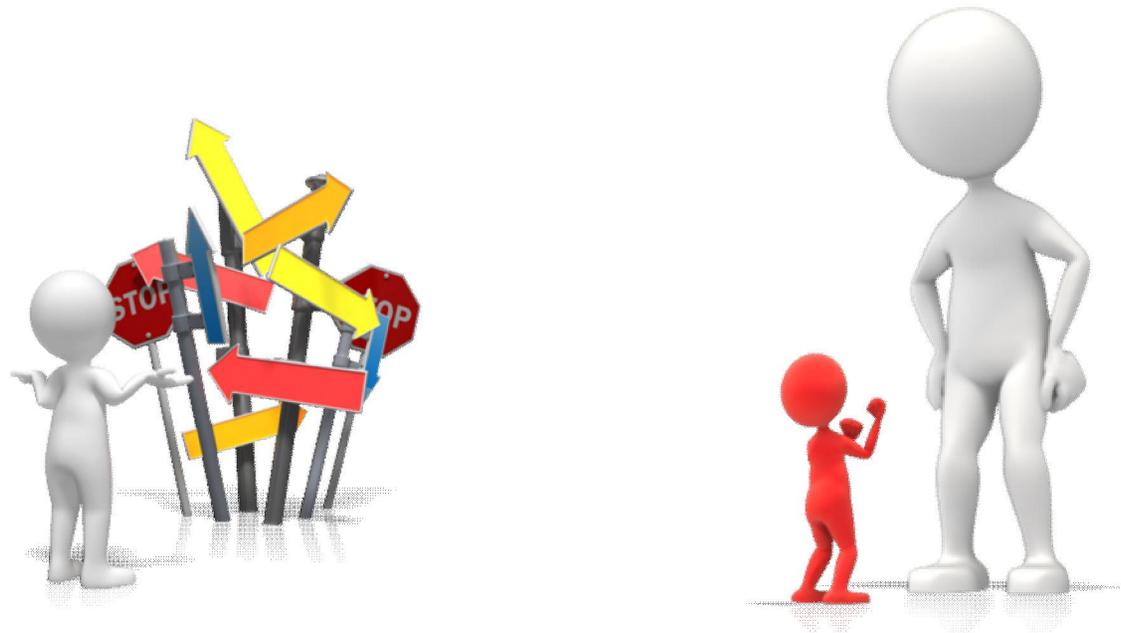

SEMs consist of a large part of our economy

- ✓ In APEC (Asia Pacific Economic Cooperation*), SMEs account for around 90 % of all businesses and employ as much as 60 % of the work force.
- ✓ In the European Union, SMEs account for 99.8 % of all enterprises. SMEs provide 67.4 % of Jobs.
- ✓ In Egypt, there are around 2.5 Million SMEs representing 75% of the total employed workforce and 99% of non-agricultural private sector establishments.
- ✓ In Brazil, SMEs account for around 99% of formal enterprises and provide 56.1% of formal urban workforce.

SMEs - Challenges

In general, SMEs are facing :

- ✓ Less resource and less experience to join the global market
- ✓ Difficulty to understand complicated Customs procedures and requirements

Possible Approaches

**Simplified
Procedures**

**Transparency
Predictability**

**Customs
Business
Partnership**

WCO's SME-related work

The importance of addressing the needs and requirements of SMEs was raised at early stage of developing the SAFE.
