

## Asia-Pacific Outreach Meeting on Sustainable Development Financing

10-11 June 2014

Djuanda Hall, Ministry of Finance Complex, Jakarta

### TENTATIVE PROGRAMME

As agreed by world leaders at Rio+20, the global development agenda is expanding beyond poverty reduction and the MDGs and incorporating issues such as infrastructure development and climate change mitigation and adaptation, for which it is critical to secure new and innovative sources of finance in the context of the United Nations Post-2015 development agenda. The Outreach Meeting will bring together key stakeholders from the public, private and civil society sectors from across Asia and the Pacific to advance regional perspectives on the sustainable financing strategies and options, particularly in the areas of domestic resource mobilization, capital market development, infrastructure finance and public-private partnerships, climate finance, financial inclusion, South-South, triangular and regional cooperation.
