

Cross-Border Movement of IP Infringing Goods in the Asian Region

Workshop on the Environmentally Safe Disposal
of Intellectual Property (IP) Infringing Goods
Bangkok, Thailand, 21-22 November 2013

RILO AP

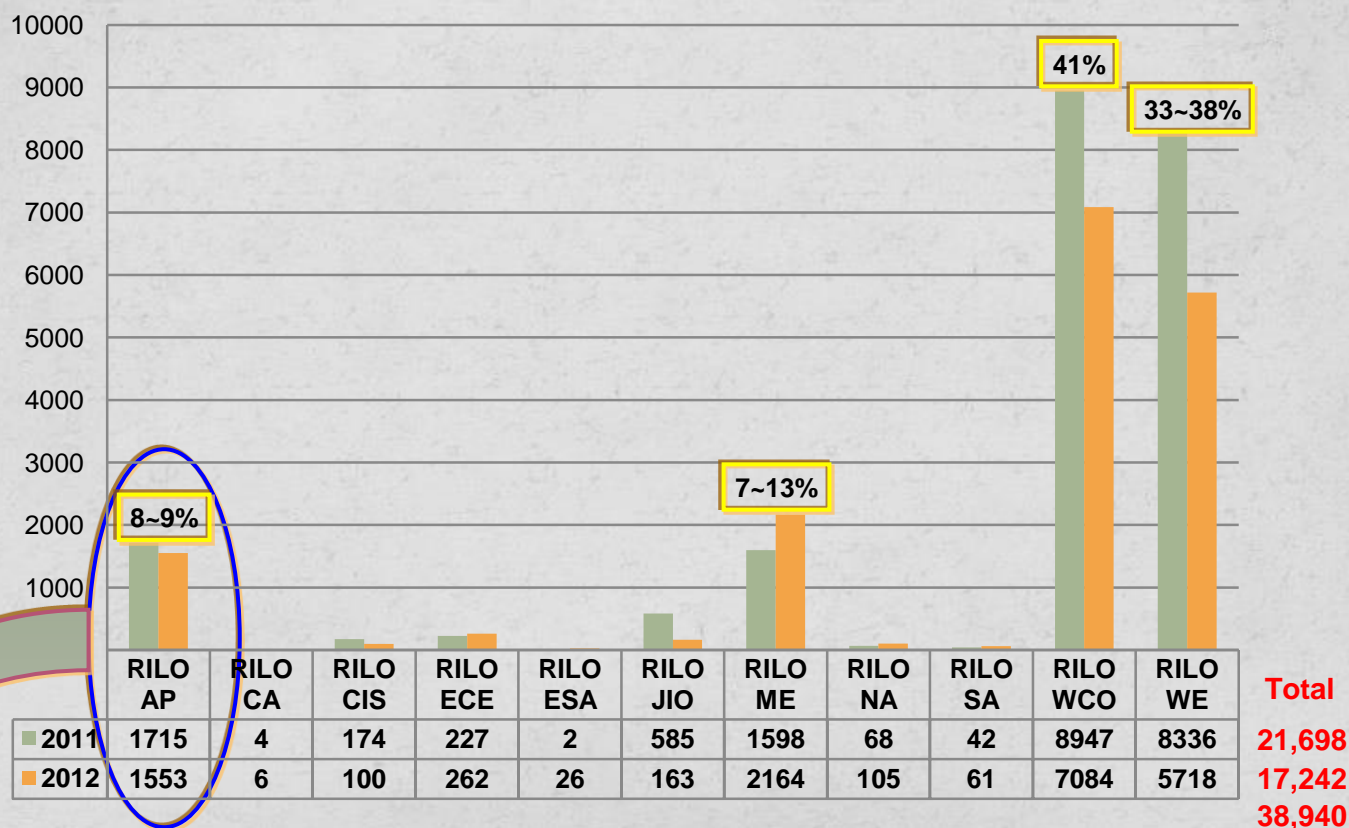

Data Source & Scope of Analysis

- ❖ Period : 1 January 2011 ~ 31 December 2012
 - Seizures reported and validated by 10 October 2013
- ❖ General rule : 1 case as 1 seizure on 1 occasion
 - 1 case may include multiple lines of commodities
- ❖ Data analysis : AP region as trafficking route
 - For the convenience of analysis, various units were converted into pieces and kg in accordance with the WCO IPR Report 2011
 - For easy comparison, pieces were applied to prepare slides on quantity seized excluding kg (only 212 cases)

Analysis Focus

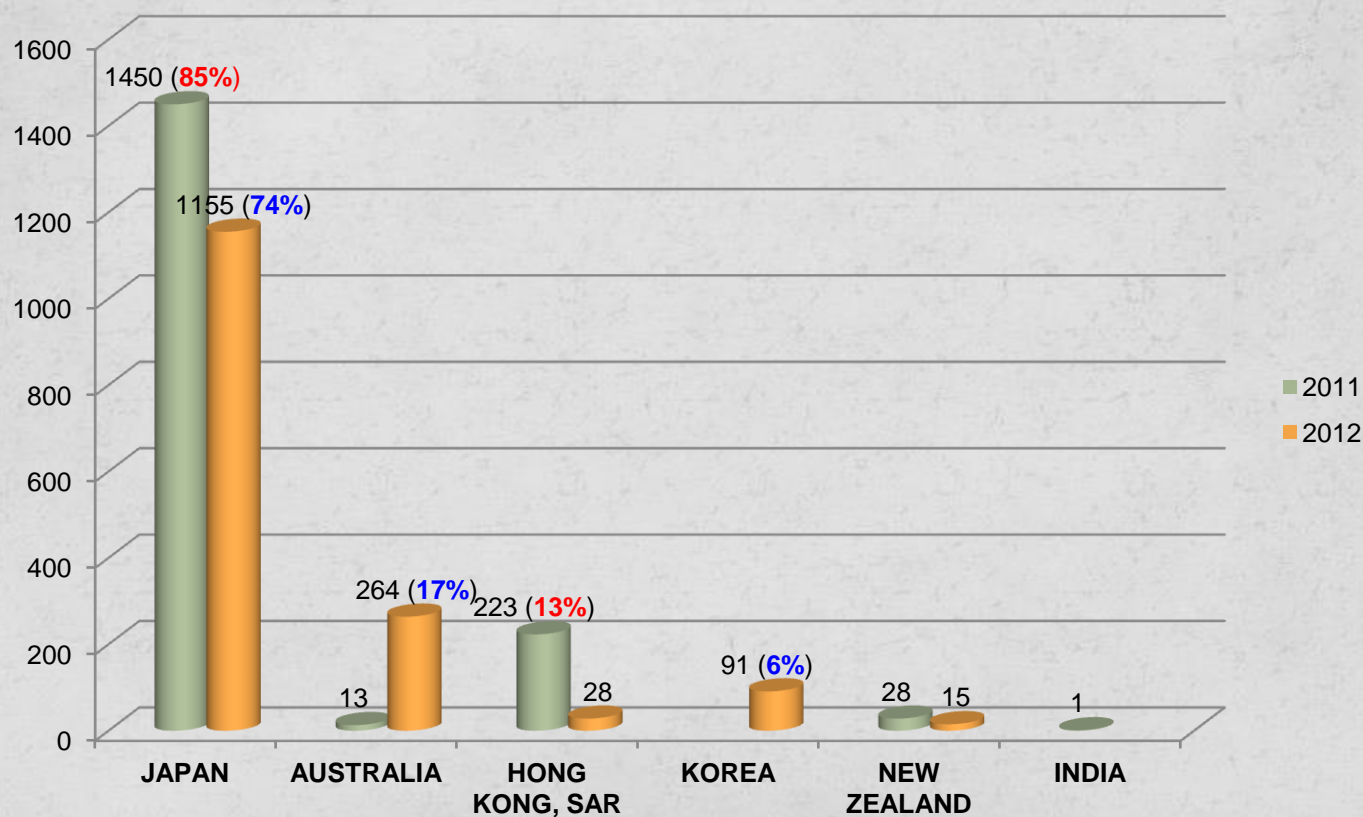

- ❖ Reporting Regions & Countries
- ❖ Departures
- ❖ Types of Location
- ❖ Infringing Commodities
- ❖ Counterfeit Brands
- ❖ Seizure Cases
