

Enhancing Regional Cooperation in Energy Infrastructure Development

Davood Manzoor, Ph.D.

High-Level Policy Dialogue on
**Regional Cooperation and Inclusive
Development in South and South West Asia**

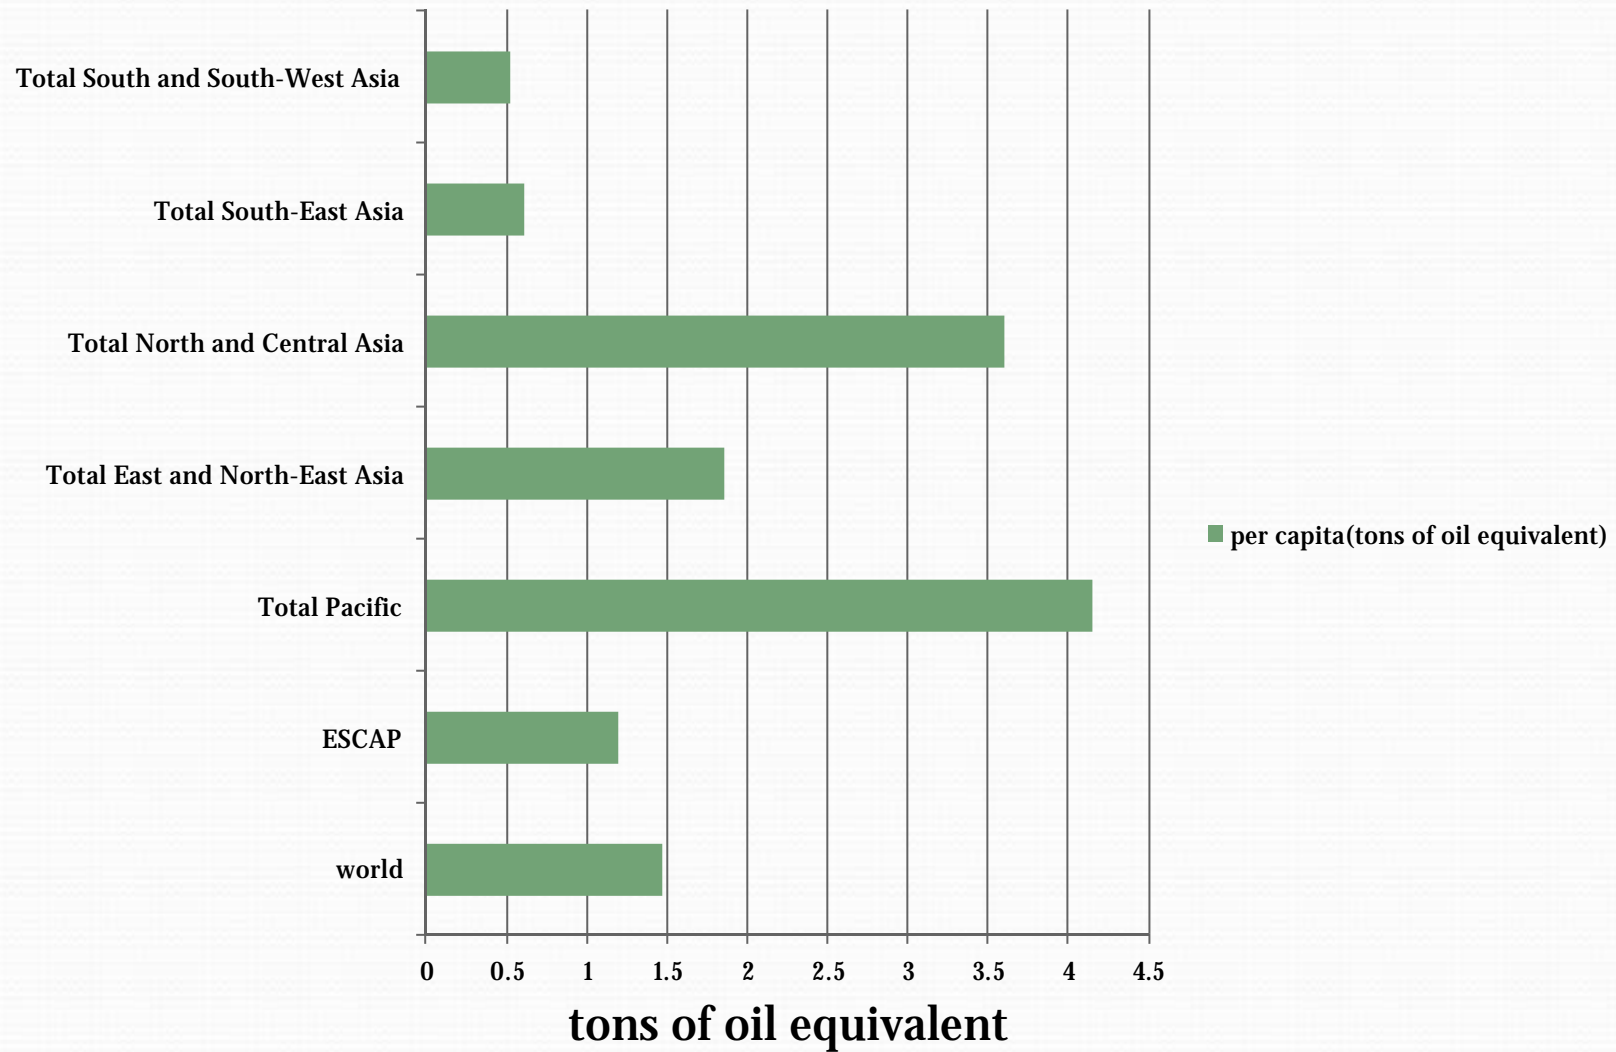

18-19 October 2012, Le Meridien Hotel, New Delhi

Lecture Outlines

- **Introductory remarks**
- **Status of energy supply and demand in the region**
- **Energy trade and import dependency**
- **Energy cooperation initiatives**
- **Regional electricity cooperation and integration**
- **Energy projections of the region's future energy investment needs**
- **Future requirements and possible options for the involvement of ESCAP in facilitating cooperation in energy.**

per capita energy consumption()
