and Electronic Business (UN/CEFACT)

**Recommendation and Guidelines  
on establishing  
a Single Window**

*to enhance the efficient exchange of information  
between trade and government*

*Recommendation No. 33*

UNITED NATIONS  
New York and Geneva, 2005

- UN/CEFACT Recommendation no. 33
- Since formally approved by the UN/CEFACT in September 2004, the term “**Single Window**” has become ubiquitous and synonymous with “**Paperless Systems for Trade Facilitation**”

## OECD's Report on Costs and Challenges of Implementing Trade Facilitation Measures (May 2013)

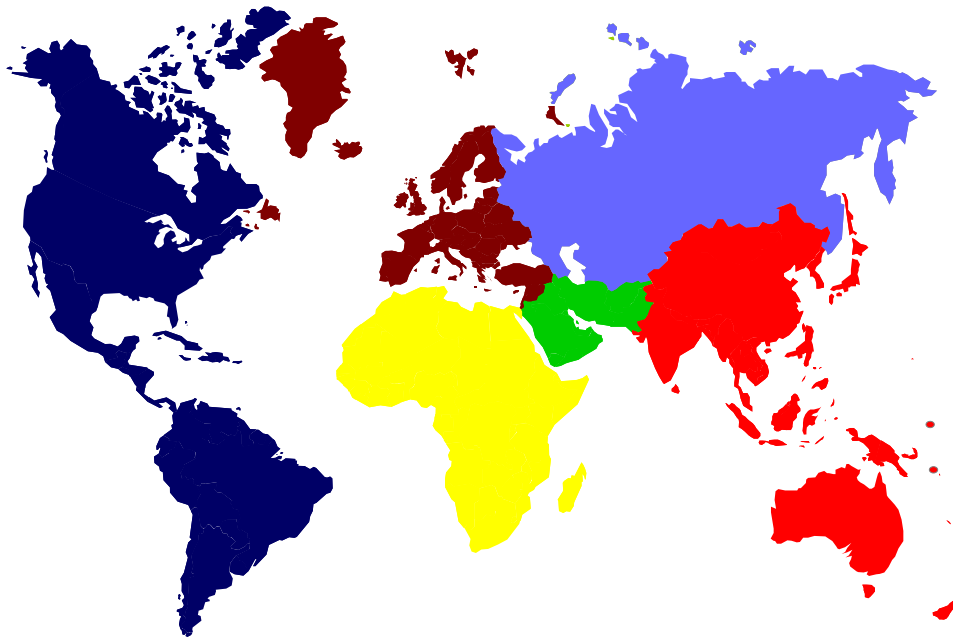

“Single Windows are probably the **most sophisticated instrument** for ensuring coordination of controls between border agencies, the **single most expensive trade facilitation measure** reviewed in this study and a **very significant contributor to reducing trade costs** as shown by the OECD TFIs”
