Goal 6
Ensure gender equality and women's empowerment

Presenter : Sohn, Joo Young
Ministry of Health & Welfare
Republic of Korea

CONTENTS

Target 6.A

Enable girls and women with disabilities to have equitable access to mainstream development opportunities

Target 6.B

Ensure representation of women with disabilities in government decision-making bodies

Target 6.C

Ensure that all girls and women with disabilities have access to sexual and reproductive health services on an equitable basis with girls and women without disabilities

Target 6.D

Increase measures to protect girls and women with disabilities from all forms of violence and abuse

Core Indicators 6.1

Number of countries that include the promotion of the participation of women and girls with disabilities in their national action plans on gender equality and empowerment of women

Definition

- National action plans: Official government documents
- Gender equality and empowerment of women: it requires budget and the target for the policy is limited to women with disabilities

Data source

-The 4th Comprehensive Policy Plan for Persons with Disabilities (2013-2017), Ministry of Health and Welfare, etc. (2013): "The increase of support for participation of women with disabilities in society (4.4.1),"
- The 4th Basic Plan for Gender Equality (2013-2017), Ministry of Gender Equality and Family (2013):"Support for vulnerable women for social and economic independence (1.3.2)"

Core Indicators 6.2

Proportion of seats held by women with disabilities in the parliament or equivalent national legislative body

Definition

• The parliament or equivalent national legislative body: only the lower house is considered for measuring this indicator if the bicameral system is used.

Data source

•National Assembly Secretariat(2012). "Information on personal details of the members of the National Assembly"

MINISTRY OF
HEALTH & WELFARE

Proportion of girls and women with disabilities who access sexual and reproductive health services of government and civil society, compared to women and girls without disabilities

Definition

- Sexual and reproductive health services:
    - Family planning,
    - Antenatal, safe delivery and post-natal care,
    - Prevention and appropriate treatment of infertility,
    - Prevention of abortion and management of the consequences of abortion,
    - Treatment of reproductive tract infections,
    - Prevention, care and treatment of STIs and HIV/AIDS,
    - Information, education and counseling, as appropriate, on
     human sexual and reproductive health

Data source

- Sexual and reproductive health services are provided to both women with and without disabilities equally. But, statistics forproportion of girls and women with and without disabilities are not currently provided.

MINISTRY OF
