

Expert Group Meeting on Effective Data Generation for the Incheon Strategy Indicators

Bangkok, 6-7 November 2013

The Agenda Items

- ***Item 2:*** Consideration of preliminary findings of the ESCAP Regional Survey on the availability of national baseline data for the Incheon Strategy
- ***Item 3:*** Review of the draft Guidebook on the Incheon Strategy Indicators
- ***Item 4:*** Consideration of a framework for developing national action plans to collect data on the Incheon Strategy Indicators

Expected Outcomes

- **Data gaps, progress and capacity-building needs are identified to establish a reliable baseline database by 2017**
- **A clear view on how the Guidebook should be revised is proposed**
- **Feedback on the draft framework for developing national action plans is proposed**
