CHALLENGES

RECOMMENDATIONS

Thailand Time Release Study

1. Background

- **Thai Customs Dept. making constant effort to bring the standard of its administration to an international level**
- **Provide paperless system for customs clearance, improve customs efficiency, reduce cost of import & export under “e-Customs” renamed “TCES: Thai Customs Electronic System”**
- **Recognized the need to perform trade facilitation more effectively and to meet international std. a series of assessment of its own performances have been conducted**
- **Thai customs conducted TRS 4 times, measured time taken by Customs only in clearance process**

Thailand Time Release Study

2. Frequency of the Study
