

REGIONAL FORUM ON APTA PREFERENTIAL TRADE DATA AND ISSUE OF ELECTRONIC APTA CERTIFICATE OF ORIGIN

*(In collaboration with the Ministry of Strategy and Finance, Korea Customs Service, and
Korea Chamber of Commerce and Industry of the ROK)*

22-24 October 2013

Incheon Songdo (G-tower), Republic of Korea

Objectives:

To discuss the practices in the APTA Participating States about their present mechanism of capturing the trade data, especially the preferential trade data and to explore the possibility of cooperation among the concerned agencies for sharing their best practices (Sessions 1-4).

To discuss the issuance of the electronic certificate of origin (CoO) under APTA so as to reduce the transaction cost as well as reducing the paper work and explore the possibility of cooperation among the concerned agencies for sharing their best practices (Sessions 5-7).

To create awareness on ESCAP's work programme on launching of the APTA database concerning the items having tariff concessions, RoO and the NTMs imposed by the Participating States (Sessions 8-9).
