World Customs Organization
Single Window ?

- **SW is to unify interface between Government and Trade**
  - **Examines regulatory controls through eyes of trader**

- **Various approaches**

UN/CEFACT Recommendation 33	Facility for lodging standardized info & docs Single submission
CBM	Part of inter-agency collaboration
Virtual Enterprise	A legal entity with effective virtual presence - web portals, a network of collaborating
Collection of Services	Service organized into distinct, non-overlapping categories and hierarchies

SW concept(2)

- **"A facility that allows parties involved in trade and transport to lodge standardized information and documents with a single entry point to fulfill all import, export, and transit-related regulatory requirements. If information is electronic then individual data elements should only be submitted once"** - 「UN/CEFACT」「WCO, "INTELLIGENT"
