## PRESENTATION OUTLINE

- Context and Background
- Project Description
- Improved Infrastructure
- Regular, reliable, and affordable services
- Safe maritime transport

# SOLOMON ISLANDS

## CONSTRAINTS...

- Long distances
- Small populations and low demand in remote areas
- Difficult sea and anchorage conditions
- Limited pool of operators in private sector
- Institutional capacity constraints in former Marine Division

## ...CONSEQUENCES

- Shipping to remote rural areas is not profitable
- Rural populations have reduced economic opportunities
- Central government services providing health and education have limited access to rural populations
- Ad-hoc charters to rural destinations are expensive
- Maritime transport is unsafe

## THE DOMESTIC MARITIME SUPPORT PROJECT

- US\$24.6 million project (about SBD\$175 million)
- Financed by Government of Solomon Islands with assistance from ADB, Government of Australia, European Union and Government of New Zealand
- Implemented by Ministry of Infrastructure Development

### **Objective:**

- Reduce economic disadvantage in Solomon Island rural areas by providing safe, frequent, and reliable shipping services to remote destinations.

### **3 Outputs:**

1. Reconstruct 10 new wharves and jetties in remote areas
2. Establish a Franchise Shipping Scheme that subsidizes private sector operators
3. Establish the Solomon Islands Maritime Safety Administration by reforming MID Marine Division

## RECONSTRUCTION OF WHARVES AND JETTIES

- Wharves designed with 50 year service life.
- Resilient to natural disasters, especially earthquakes and tsunamis
- Minimum EIRR 8% - engaging with weakly performing countries
- 11 wharves and jetties selected:
  1. Niumara Wharf, Central Province (complete)
  2. Nu'usi Wharf, Central Province (complete)
  3. Mbunikalo Wharf, Western Province (complete)
  4. Katurasele Wharf, Choiseul Province (complete)
  5. Manikaraku Wharf, Guadalcanal Province (complete)
  6. Ringgi Wharf, Western Province
  7. Keru Wharf, Western Province
  8. Ngasini Wharf, Western Province
  9. Tatamba Wharf, Isabel Province
  10. Uhu Landing Ramp, Malaita Province
