Single Window Concepts

**"A lot of times,
people don't know
what they want
until you show it to
them."**

Steve Jobs, Businessweek, 1998

Trade Facilitation Value Drivers

Enabling strategies

Fundamental strategies

1. Disengage payment process from physical transaction
2. Enable and encourage electronic information input and submission
3. Develop public-private partnership models with trading community
4. Integrate internal governance process across relevant departments
5. Enhance collaborative teaming

Leading practices

6. Adopt a risk management-based compliance approach
7. Implement and/or encourage preclearance and pre-certification programs
8. Integrate revenue collection into industry payment reconciliation processes
9. Implement strategic targeting programs
10. Exploit new technologies to streamline port and clearance procedures
11. Integrated service delivery/whole of government

Emerging trends

12. Adopt virtual border clearance activities
13. Adopt standardized international payment methods
14. Consolidate and apply all available data to improve interdiction
15. Develop business partner capabilities with key industries
16. Develop new/expand international partnerships
17. Develop public-private information sharing mechanism
