Requirements to Single Window Implementation

Why political commitment is essential?

- Significant investment of human resources and budget
 - Korea – over USD 20 million
 - Singapore – over USD 10 million (initial investment)
 - Mongolia – over USD 10 million (to be implemented)
- Stakeholder engagement and coordination
 - 27 to 30 different agencies involved in a trade
 - A conflict of interest among stakeholders
- Reform of administration process and laws/regulations
 - In the development phase of S/W system of Senegal, the resistance from an agency led the project stand-stil from 1999 to 2002 (UNNExT Brief 5)
- Sustainable development and operation
 - Without the interest of the top-level, the promotion of the services may fail
