

in 2011,
we took up
the cause of
disadvantaged
women ...

- of 1.7 billion people living in poverty, 70% are women.

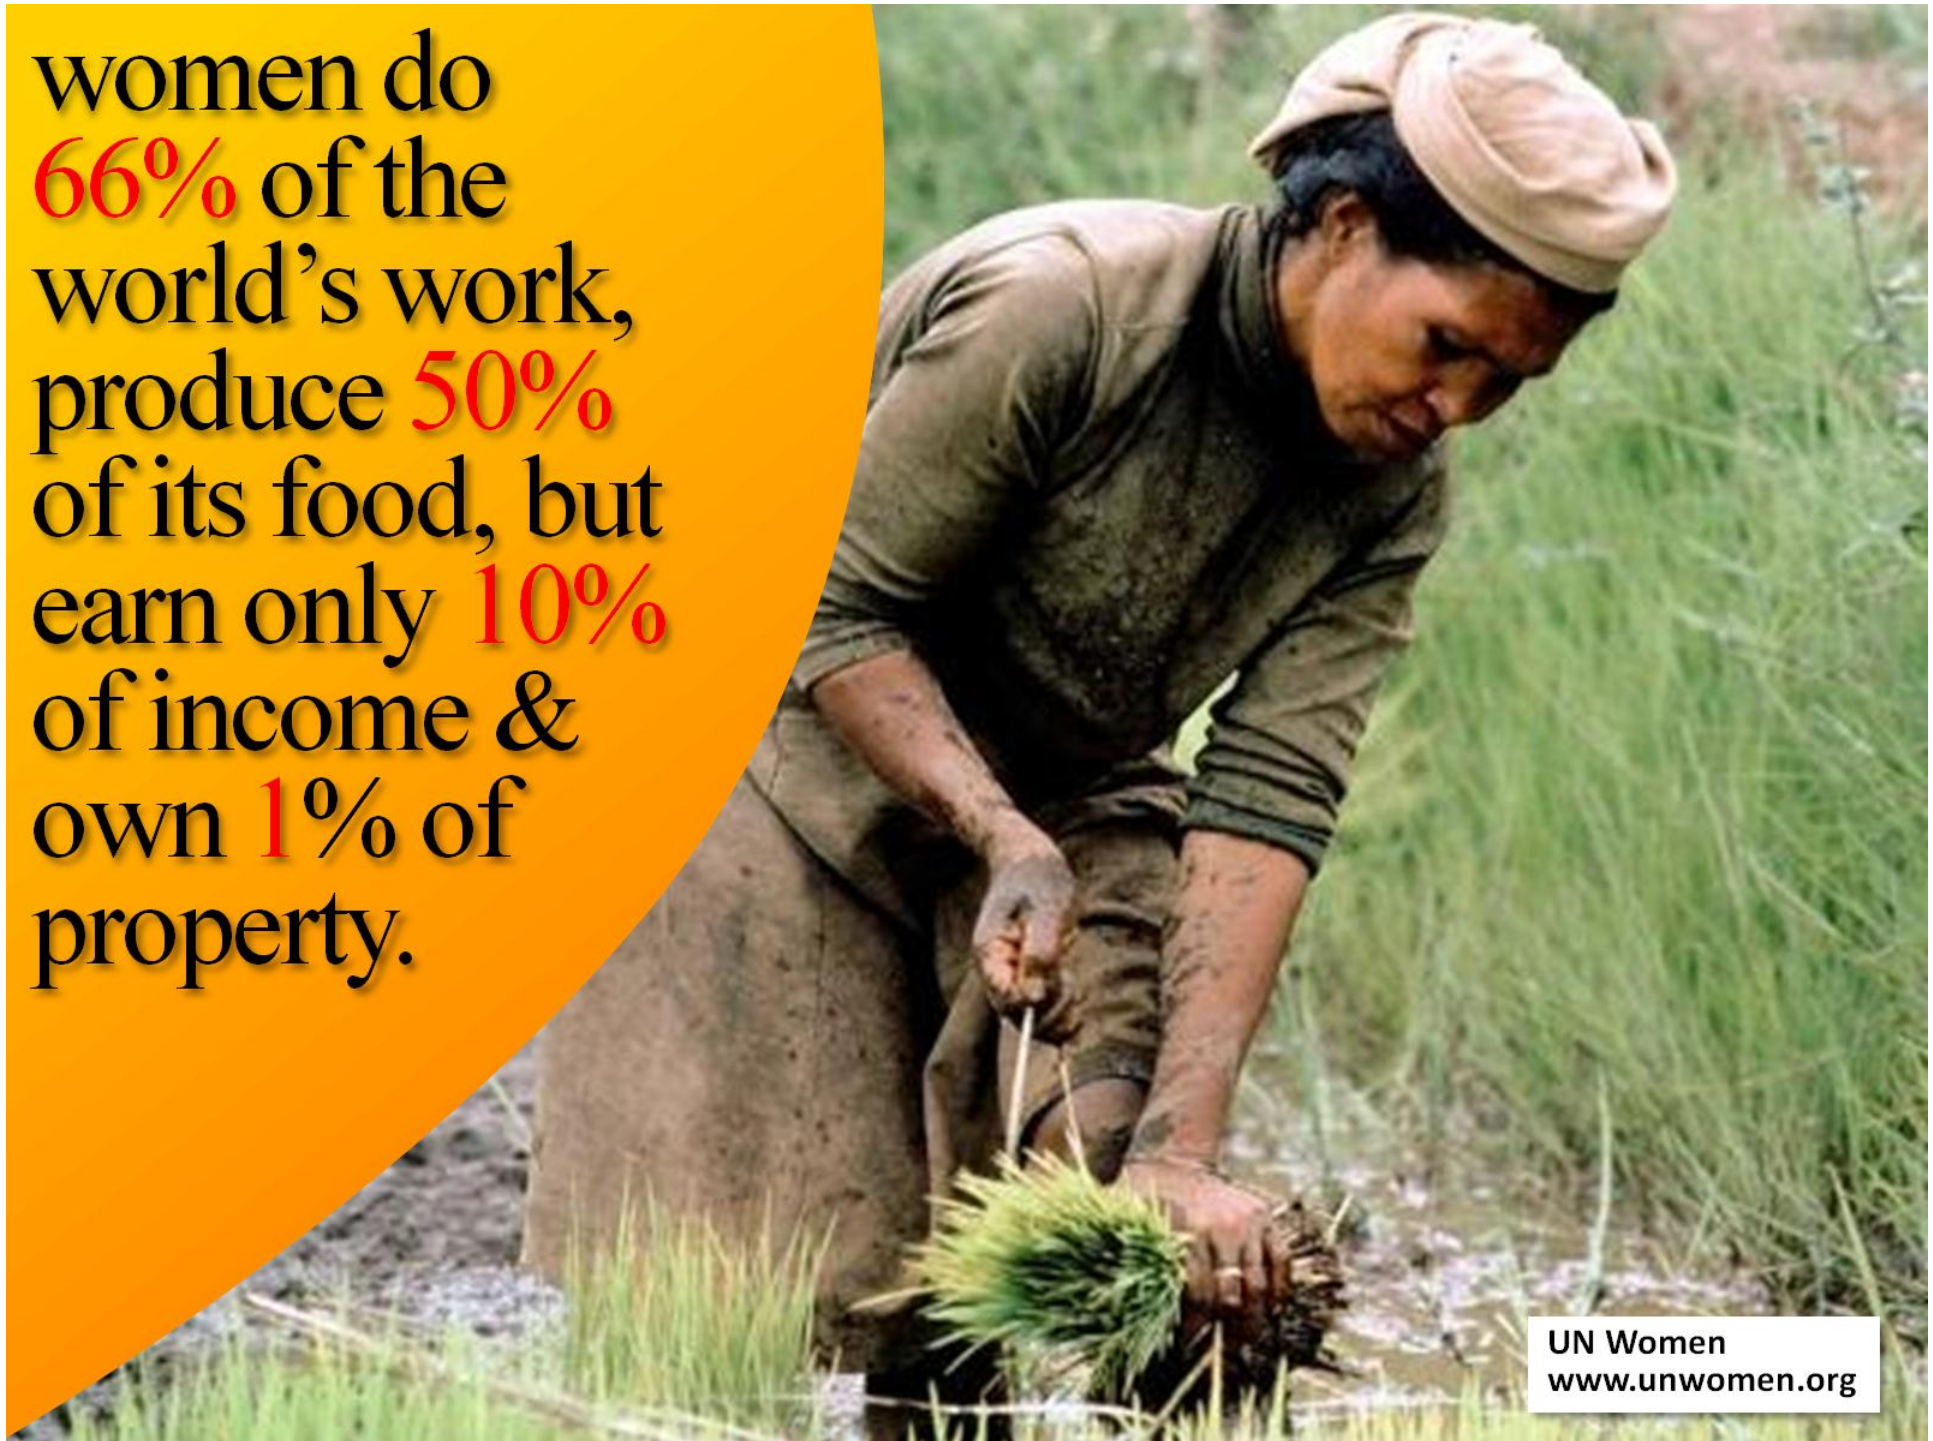

GLOBAL FUND FOR WOMEN
www.globalfundforwomen.org

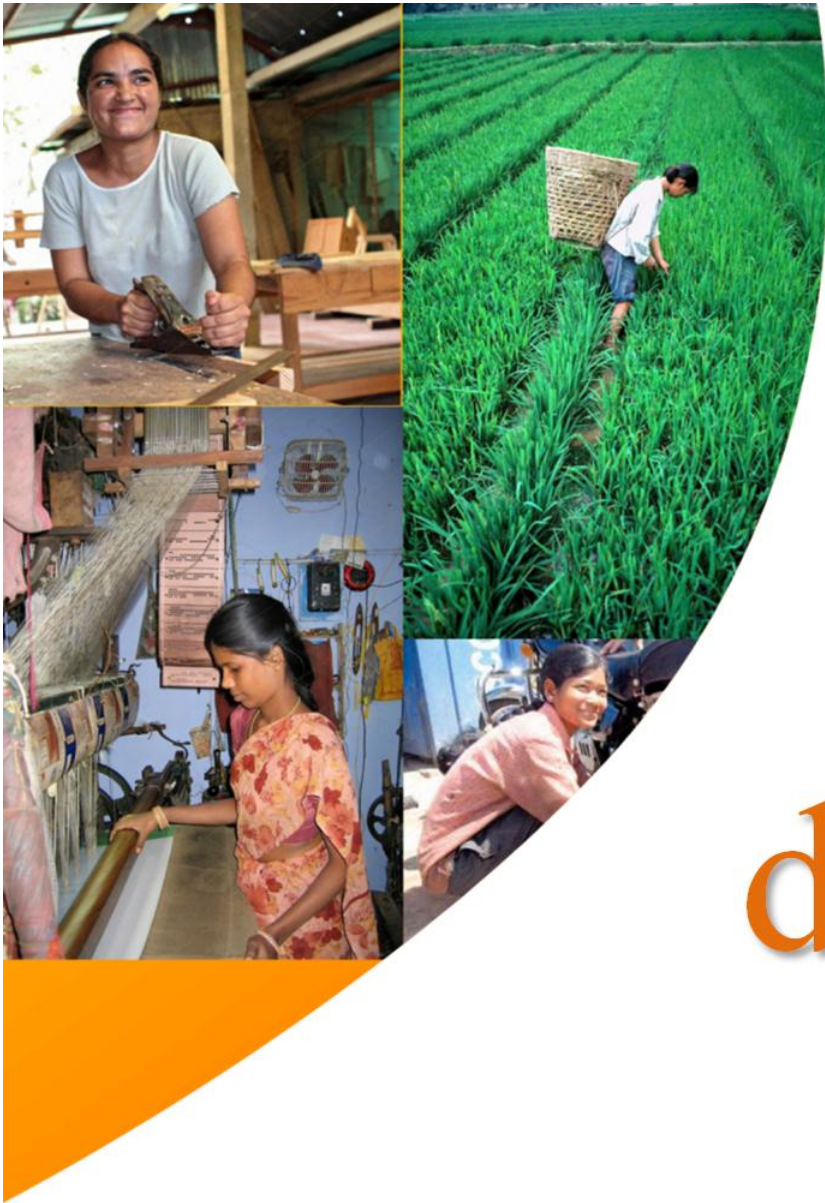

●
of **876 million**
illiterate adults
in the world,
2/3
are women.

women do
66% of the
world's work,
produce **50%**
of its food, but
earn only **10%**
of income &
own **1%** of
property.

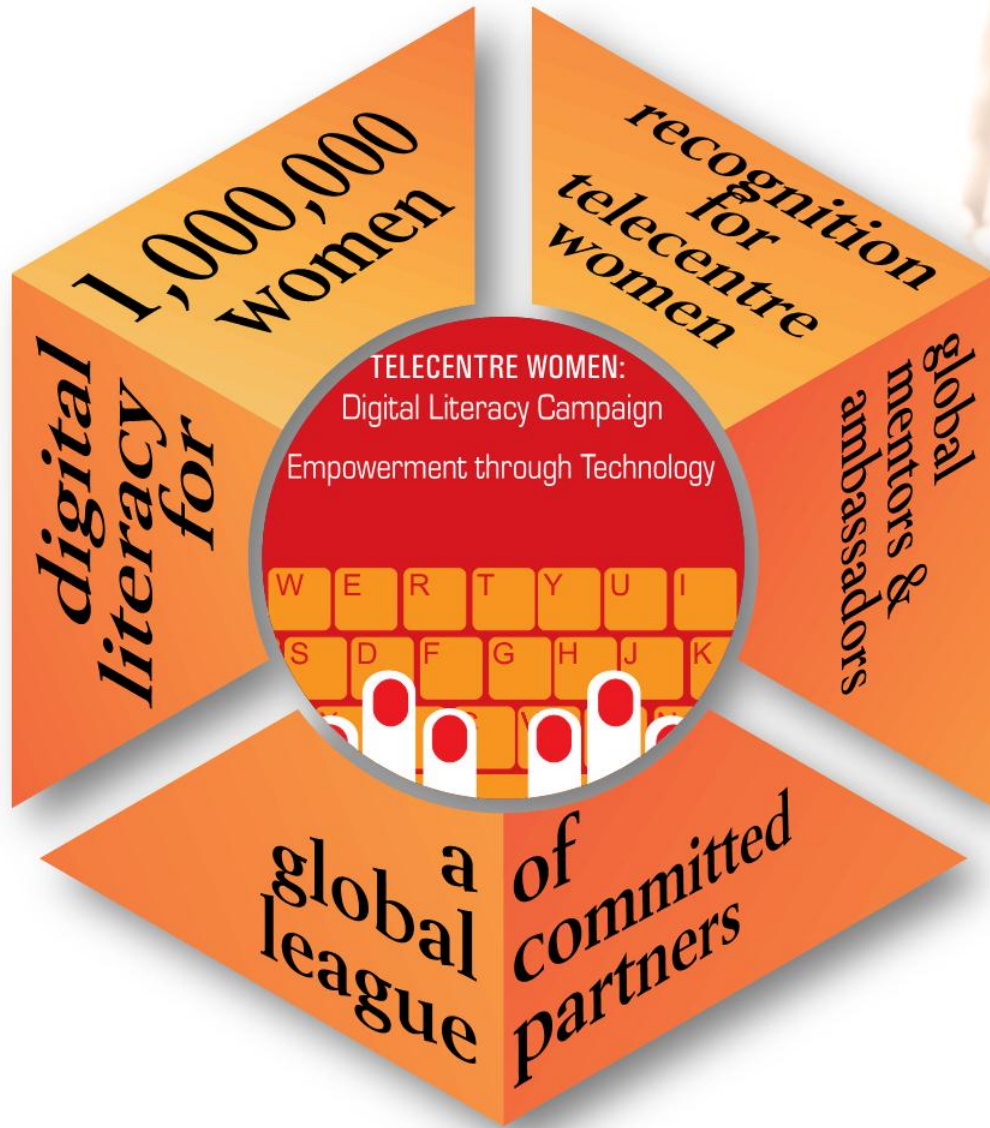

... offering
digital literacy
to give them
new futures.

TELECENTRE WOMEN:
Digital Literacy Campaign
Empowerment through Technology

A decorative graphic featuring a grid of orange keyboard keys with white letters. Below the keys are several white, stylized fingers with red circular tips, appearing to point at the keys.
