

OECD Trade Facilitation Indicators

The Impact on Trade Costs

OECD indicators on trade facilitation

- What is the Impact of TF Measures on Trade Flows and Trade Costs ?
- Based on the structure of the WTO Draft Consolidated Negotiating Text;
- Aim to provide a basis for prioritizing trade facilitation actions by governments ..
- .. and help mobilise technical assistance by donors in a targeted way.

Coverage

- Completed work covers OECD countries and Hong Kong, China (observer to the OECD Trade Committee)
- Ongoing work expands the TFIs beyond the OECD membership.
- Database and methodology adapted to developing country concerns

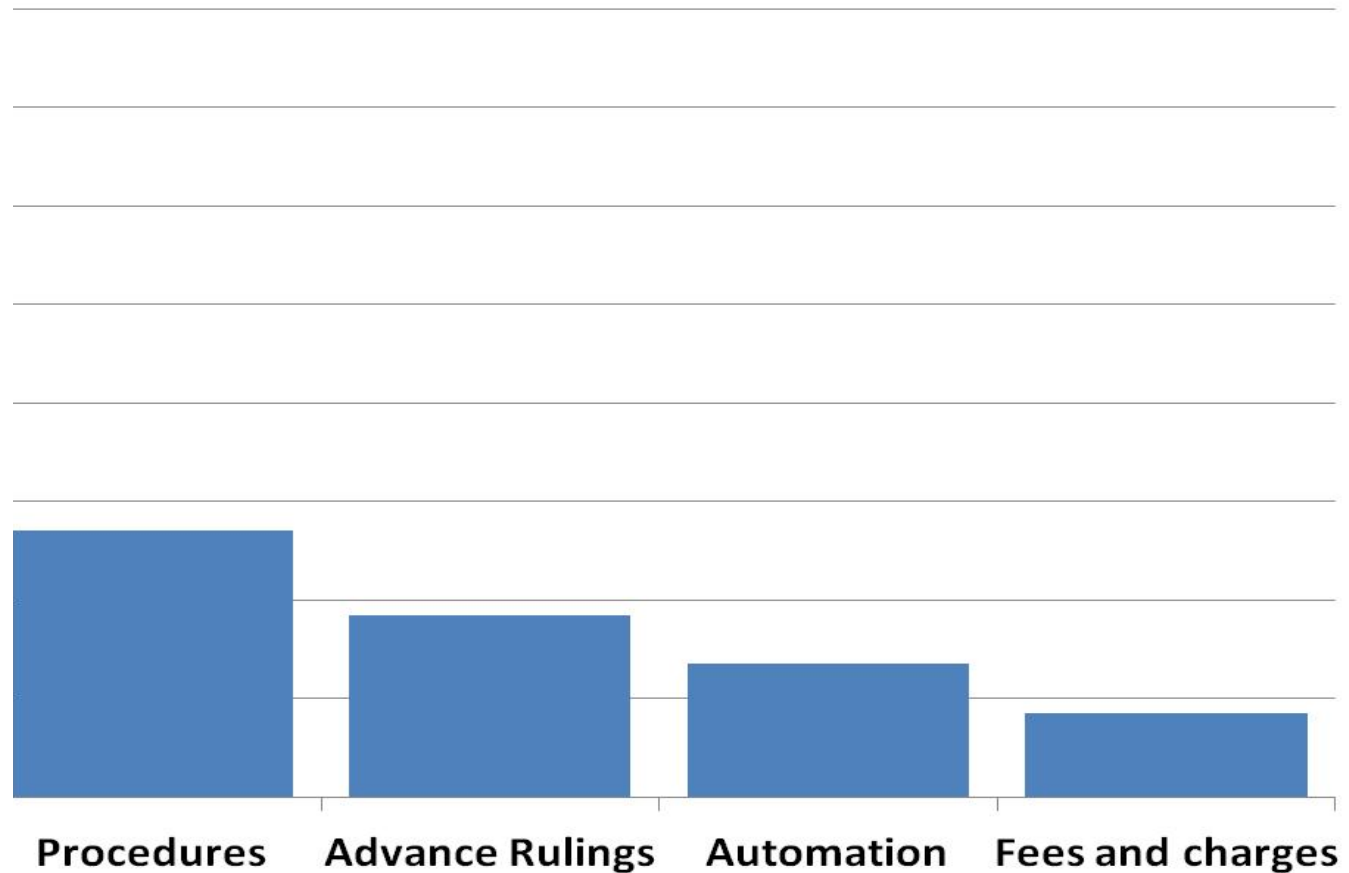

12 families of measures (+1)
