New York, 2005

ST/ESCAP/2398

This study was prepared under the Memorandum of Understanding between UNESCAP and the Korea Maritime Institute, signed in 1998, in collaboration with the Asia Pacific Economic Cooperation (APEC).

The views expressed in this publication are those of the authors and do not necessarily reflect the views of the United Nations Secretariat.

The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the Secretariat of the United Nations concerning the legal status of any country territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries.

Mention of firm names and commercial products does not imply the endorsement of the United Nations.

This publication has been issued without formal editing.
