

# Myanmar

## Gender-Based Violence (GBV)

### Hotline Minimum Standards

## Acknowledgement:

We would like to express our appreciation to Fatima Outaleb, Mi Mi Thin Aung, Pyae Phyo Shwe and ABAAD team for leading the development process of this GBV Hotline Minimum Standards document for Myanmar. Our heartfelt appreciation also goes to the participants of the national as well as sub-national consultation workshops which were held between December 2020 and May 2021 for their valuable feedbacks and suggestions to determine the contents of the Minimum Standards, contextualize the global good practices and review the draft document despite challenging period in Myanmar. We are grateful to the UNFPA colleagues who reviewed the draft documents and provided constructive suggestions to finalize the document as well as supported organization and facilitation of the consultation workshops. UNFPA Asia-Pacific Regional Office (APRO) provided technical support and the fruitful discussion we had with the APRO GBV team ensured that the Myanmar Minimum Standards document is in alignment with regional initiative to improve the quality of GBV hotlines/helplines. Lastly, but not the least, we would like to acknowledge great support and understanding we have received from the Foreign, Commonwealth & Development Office (FCDO) in Myanmar throughout this development process, without which, the Minimum Standards document would not have been developed.

## Table of Contents

<b>1. Introduction</b>	<b>1</b>
