What is gender equality?

Gender equality means equal rights and equal opportunities for women and men.

Gender equality is a human right.

Advancing development

Gender equality advances development and reduces poverty.

When women and girls have equal access to education, the whole of society benefits.

If more women entered the workforce, Myanmar's economy would grow.

Women need better access to good jobs and leadership positions.

Gender equality benefits everyone...

Gender equality benefits everyone: women and men, girls and boys.

Equal relationships are happier and more satisfying.

Women should not have to choose between work and family.

...men too

Men have a right to be engaged fathers.

Gender equality is a partnership between women and men.

Gender equality can only be achieved when men and boys are involved.
