Third-party materials. If you wish to reuse material from this work that is attributed to a third party, such as tables, figures or images, it is your responsibility to determine whether permission is needed for that reuse and to obtain permission from the copyright holder. The risk of claims resulting from infringement of any third-party-owned component in the work rests solely with the user.

General disclaimers. The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by WHO in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by WHO to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHO be liable for damages arising from its use.

Contents

Acknowledgements.....	v
Abbreviations and acronyms	vii
Executive summary	ix
Summary list of WHO recommendations for the sexual and reproductive health and rights (SRHR) of women living with HIV	xii
Summary list of WHO good practice statements for the sexual and reproductive health and rights (SRHR) of women living with HIV	xvii
Chapter 1. Introduction	1
1.1 Background.....	1
1.2 Target audience.....	2
1.3 Scope	3
1.4 Approach and guiding principles	4
1.5 Values and preferences of women living with HIV	8
Chapter 2. Methodology and process for development of the guideline	10
2.1 Guideline development working groups	10
2.2 Additional key contributors	11
2.3 Declaration of interests by external contributors	11
2.4 Defining the scope and topic areas for new recommendations and good practice statements	12
2.5 Review of the evidence and formulation of recommendations.....	12
2.6 Decision-making by the GDG during guideline development.....	14
2.7 Compilation and presentation of guideline content	14
Framework of WHO recommendations and good practice statements to advance the sexual and reproductive health and rights of women living with HIV	17
Chapter 3. Creating an enabling environment: recommendations and good practice statements	18
3.1 Applying a social ecological framework to defining an enabling environment for the SRHR of women living with HIV	20
3.2 Essential strategies for creating and maintaining an enabling environment	21
Chapter 4. Health interventions: recommendations and good practice statements	48
4.1 Sexual health counselling and support	49
4.2 Violence against women services	54
4.3 Family planning and infertility services	58
4.4 Antenatal care and maternal health services	64
4.5 Safe abortion services.....	71
4.6 Sexually transmitted infection and cervical cancer services	74

Chapter 5. Service delivery and guideline implementation	79
5.1 Overview	79
5.2 Key service-delivery reforms	81
5.3 Key considerations when providing services for women living with HIV	84
5.4 Understanding local HIV and STI epidemiology	87
Chapter 6. Developing the research agenda	89
6.1 Defining priority research considerations to strengthen the evidence base	89
6.2 Towards an appropriate approach to research on SRHR	91
Chapter 7. Dissemination, applicability and updating of the guideline and recommendations	93
7.1 Dissemination	93
7.2 Applicability	94
7.3 Updating the guideline	95
References	97
Annex 1. External experts and WHO staff involved in the preparation of this guideline	110
Annex 2. Summary of declarations of interest from the Guideline Development Group (GDG) members and how they were managed	115
Annex 3. Priority questions and outcomes for the interventions identified for this guideline	118
Annex 4. Systematic and literature reviews	119
Annex 5. Guideline Development Group (GDG) judgements related to the new recommendations	121

Web supplement: WHO recommendations on SRHR of women living with HIV: evidence base

The standardized criteria used in grading the evidence and the GRADE tables have been published in this separate Web supplement. The Web supplement is available online at:

WHO Guideline Steering Group

The following WHO staff members contributed to developing these guidelines as members of the Guideline Steering Group: **Avni Amin** (Department of Reproductive Health and Research [RHR]), **Rachel Baggaley** (Department of HIV/AIDS), **John Beard** (Department of Ageing and Life Course [ALC]), **Ana Pilar Betrán Lazaga** (Department of RHR), **Francoise Bigirimana** (WHO Regional Office for Africa), **Sonja Caffé** (WHO Regional Office for the Americas/Pan American Health Organization [PAHO]), **Rebekah Bosco Thomas** (Gender, Equity and Human Rights Team), **Nathalie Broutet** (Department of RHR), **Tarun Dua** (Department of Mental Health and Substance Abuse [MSD]), **Shaffiq Essajee** (Department of HIV/AIDS), **Jane Ferguson** (Department of Maternal, Newborn, Child and Adolescent Health [MCA]), **Mario Festin** (Department of RHR), **Bela Ganatra** (Department of RHR), **Claudia García Moreno** (Department of RHR), **Fahmy Hanna** (Department of MSD), **Rajat Khosla** (Department of RHR), **Gunta Lazdane** (WHO Regional Office for Europe), **Ramez Mahaini** (WHO Regional Office for the Eastern Mediterranean), **Léopold Ouedraogo** (WHO Regional Office for Africa), **Razia Pendse** (WHO Regional Office for South-East Asia), **Sheryl van der Poel** (Department of RHR), **Joanna Vogel** (Department of MCA).

Guideline Development Group (GDG)

Pascale Allotey (School of Medicine and Health Sciences, Monash University Malaysia, Malaysia), **Elham Atalla** (Al Hoora Health Center, Arad Health Center, Ministry of Health, Kingdom of Bahrain), **Susan Bewley** (Women's Health Academic Centre, King's College London, United Kingdom of Great Britain and Northern Ireland [United Kingdom]), **Shalini Bharat** (School of Health Systems Studies, Tata Institute of Social Sciences, India), **Elizabeth Bukusi** (Co-Chair) (Kenya Medical Research Institute [KEMRI], Kenya), **Caroline Phiri Chibawe** (Mother and Child Health, Ministry of Health, Zambia), **Sophie Dilmitis** (International Community of Women Living with HIV, Zimbabwe), **Raoul Fransen-dos Santos** (International Civil Society Support, The Netherlands), **Selma Hajri** (African Network for Medical Abortion [ANMA], Tunisia), **Maurice Hiza** (Reproductive and Child Health Section, Ministry of Health and Social Welfare, United Republic of Tanzania), **Mona Loutfy** (Women's College Research Institute, Women's College Hospital, University of Toronto, Canada), **Chisale Mhango** (Royal College of Obstetrics and Gynaecology, College of Medicine, Malawi), **Glen Mola** (School of Medicine and Health Sciences, Papua New Guinea), **Rejoice Nkambule** (Public Health Services, Ministry of Health, Swaziland), **Vera Paiva** (Interdisciplinary Group for AIDS Prevention [NEPAIDS], University of São Paulo, Brazil), **Quach Thi Thu Trang** (Center for Creative Initiatives in Health and Population [CCIHP], Viet Nam), **Paul Van Look** (Co-Chair) (Independent consultant, Switzerland), **Alice Welbourn** (Salamander Trust, United Kingdom), **Anandi Yuvaraj** (Independent consultant, India).

Contributors to the Grading of Recommendations Assessment, Development and Evaluation (GRADE) systematic reviews and narrative reviews

Johns Hopkins Bloomberg School of Public Health, United States of America (USA): **Caitlin Kennedy and team: Laura Beres, Virginia Burke, Stephanie Caldas, Elisabeth Chop, Avani Duggaraju, Angela Flignor, Sabina Haberen, Sophie Morse, Shristi Pandey, Caitlin Payne, Jennifer Robinson, Haneefa Saleem, Alana Teman and Ping Teresa Yeh.**

Methodologist/Independent clinical epidemiologist, South Africa: **Nandi Siegfried.**

External Review Group (ERG)

Georgina Caswell (International HIV/AIDS Alliance, United Kingdom), **Eli Coleman** (University of Minnesota, USA), **Tyler Crone** (ATHENA Network, USA), **Cecilia Chung** (Global Network of People Living with HIV, USA), **Faysal El-Kak** (American University of Beirut, Lebanon), **Asha George** (University of the Western Cape, South Africa), **Quarraisha Abdool Karim** (Center for AIDS Research in South Africa [CAPRISA], South Africa), **Robert Leke** (University of Yaoundé, Cameroon), **Svetlana Moroz** (Eurasian Women's Network on AIDS, Ukraine),

Nelly Mugo (Kenyatta National Hospital, Kenya), **Wanjiru Mukoma** (LVCT Health, Kenya), **Hajjarah Nagadya** (International Community of Women Living with HIV [ICW] East Africa, Uganda), **Francis Ndowa** (Harare Central Hospital Management Board, Zimbabwe), **L'Orangelis Thomas Negrón** (Latin America and Caribbean Positive Youth Network, Panama), **Eugene Ngoga** (University of Rwanda, Rwanda), **Hiromi Obara** (National Center for Global Health and Medicine, Japan), **Hamid Rushwan** (International Federation of Gynecology and Obstetrics [FIGO], Sudan), **Aditi Sharma** (ICW, India), **Martha Tholanah** (ICW, Zimbabwe), **Ruth Morgan Thomas** (Global Network of Sex Work Projects [NSWP], United Kingdom), **Rita Wahab** (Women Living with HIV in the Middle East [MENA Rosa], Lebanon).

Representatives of United Nations agencies and other external partners

The Global Fund to Fight AIDS, Tuberculosis and Malaria: **Kate Thomson**

Joint United Nations Programme on HIV/AIDS (UNAIDS)

Office of the United Nations High Commissioner for Human Rights (OHCHR): **Ruben Brouwer**, **Lucinda O'Hanlon**

United Nations Population Fund (UNFPA): **Lynn Collins**, **Petra ten Hoope-Bender**

United States Agency for International Development (USAID): **Shawn Malarcher**, **Nithya Mani**, **Jen Mason**

WHO staff and consultants

WHO consultants: Special thanks to **Laura Beres** of Johns Hopkins University, **Elizabeth McGrory**, independent consultant, and **Luisa Orza** of the ATHENA Network, who contributed to the writing, coordination and research for the guideline, and to **Sofia Gruskin** and **Shubha Kumar** of the Institute for Global Health, University of Southern California, who led the review on human rights.

Special thanks as well to **Philippa Easterbrook**, **Susan Norris** and **Charles Penn** (Secretariat to the WHO Guidelines Review Committee) who provided advice and support at several stages of the guideline development.

WHO administrative support was provided by **Natalie Maurer** and **Jane Werunga-Ndanareh**, and communication support was provided by **Catherine Hamill**, **Lizzy Noble** and **Christine Meynert**. **Jane Patten** provided technical editing and **Christel Chater** provided design and layout, on behalf of Green Ink, United Kingdom.

Overall coordination

Manjulaa Narasimhan coordinated the overall guideline development process under the supervision of **James Kiarie** and **Ian Askew** (WHO Department of RHR).

Funding

The UNDP/UNFPA/UNICEF/WHO/World Bank Special Programme on HIV/AIDS (PEH) funded the development of this guideline.
