Acronyms and Abbreviations	x
Glossary	xi
Introduction	xiii
Chapter 1 Community Empowerment	1
1.1 Introduction	4
1.2 Collaborating with trans communities in programming	5
1.3 Fostering and supporting trans-led programmes and organizations	8
1.4 Building organizational capacity	11
1.4.1 Elements of a strong organization	12
1.4.2 Forming a registered organization	14
1.5 Building advocacy capacity	16
1.5.1 Advocacy framework	17
1.6 Addressing stigma as a barrier to empowerment	21
1.7 Promoting a human-rights framework	22
1.8 Supporting community mobilization and sustaining social movements	24
1.8.1 Networking and building organizational relationships	24
1.9 Resource mobilization and sustainability	26
1.10 Resources and further reading	26
Chapter 2 Stigma, Discrimination, Violence & Human Rights	29
2.1 Introduction	32
2.1.1 Transphobia and violence	32
2.1.2 Discrimination and action for legal gender recognition	33
2.1.3 Legal and policy frameworks	35
2.2 Addressing stigma, discrimination and violence	38
2.2.1 Family	38
2.2.2 Intimate partner violence	39
2.2.3 Education	40
2.2.4 Employment	41
2.2.5 Homelessness and poverty	43
2.2.6 Sex work	45
2.2.7 Legal and political stigmatization and violence	45

2.2.8	Health care	49
2.2.9	Everyday settings	52
2.3	Complementary interventions and strategies	53
2.3.1	Collecting data as evidence of stigma, discrimination and violence	53
2.3.2	Using information and communication technology	55
2.4	Monitoring and evaluation	58
2.5	Resources and further reading	61
Chapter 3	Services	67
3.1	Introduction	70
3.1.1	The HIV prevention, diagnosis, treatment and care continuum	71
3.2	Trans-competent health services	73
3.2.1	Principles for providing trans-competent health services	73
3.2.2	Primary care	73
3.2.3	Gender-affirming health services	75
3.2.4	Coding	77
3.2.5	Life course	78
3.3	HIV-related interventions and other essential health-sector interventions	80
3.3.1	Condoms and lubricants	82
3.3.2	Pre-exposure prophylaxis (PrEP)	84
3.3.3	Post-exposure prophylaxis (PEP)	85
3.3.4	Harm reduction interventions	87
3.3.5	Sexual and reproductive health	90
3.3.6	Sexually transmitted infections	94
3.3.7	HIV testing services	96
3.3.8	HIV treatment and care	99
3.3.9	HIV and hormonal therapy	99
3.3.10	Prevention and management of co-infections and co-morbidities	100
	Viral hepatitis	100
	Tuberculosis	102
	Violence	103
	Mental and psychosocial health	104
3.4	Resources and further reading	109
Chapter 4	Service Delivery Approaches	115
4.1	Introduction	118
4.2	Clinical approaches	119
4.2.1	Creating an appropriate clinical services environment	120
4.2.2	Peer navigators	129

4.3	Social and behavioural interventions	129
4.3.1	Designing trans-specific behavioural interventions	130
4.3.2	Adapting behavioural interventions developed for other populations.....	133
4.4	Condom and lubricant programming	134
4.5	Community-led outreach	135
4.5.1	Implementing community-led outreach	137
A.	Map the community and design outreach strategies	138
B.	Engage and train community outreach workers	139
C.	Manage outreach	142
D.	Foster leadership opportunities	143
4.5.2	Building coalitions and alliances	144
4.6	Safe spaces	145
4.6.1	Steps in establishing safe spaces.....	147
4.6.2	Operating safe spaces.....	148
4.7	Information and communication technology	149
4.7.1	Social media and social isolation.....	149
4.7.2	Quality assurance and online safety.....	150
4.8	Conclusion	151
4.9	Resources and further reading.....	151
Chapter 5	Programme Management.....	153
5.1	Introduction	156
5.1.1	Essential issues for designing and managing HIV and STI programmes serving trans people	156
5.2	Planning HIV and STI and other programmes with trans communities	159
5.2.1	Collecting and analysing strategic information	159
5.2.2	Developing tailored interventions	161
5.2.3	Monitoring and evaluating the interventions	165
5.3	Implementing a scaled programme	168
5.3.1	From start-up to establishing infrastructure across the target geographic area ...	168
5.3.2	From rolling out services to improving coverage and quality.....	172
5.3.3	Systems improvement, social norm change and increased sustainability	172
5.4	Capacity-building within service-providers and implementing organizations.....	173
5.4.1	Training staff.....	173
5.4.2	Establishing a supervision system.....	174
5.4.3	Staff development	175
5.5	Resources and further reading.....	177
