# LEBANON'S NATIONAL URBAN POLICY SYNTHESIS REPORT

## INTERSECTION OF HOUSING AND TRANSPORT

2021

The United Nations Human Settlements Programme (UN-Habitat) is the United Nations agency for human settlements. It is mandated by the United Nations General Assembly to promote socially and environmentally sustainable towns and cities with the goal of providing adequate shelter for all. UN-Habitat's programmes are designed to help policymakers and local communities get to grips with human settlements and urban issues and find workable, lasting solutions.
