ACKNOWLEDGMENTS

Supervisor: Christophe Lalande

Task Managers: Gregor Herda and Kamba Ankunda

Contributors: Channe Oguzhan, Fernanda Lonardon, Kamba Ankunda and Gregor Herda

Principal Author: Graham Tipple

National Profile Team Coordinator: Kabelo Lethunya

Design and layout: Andrew Ondoo

Financial Support: The participatory Slum Upgrading Program (PSUP), a joint initiative by the European Commission and the African, Caribbean and Pacific (ACP) Secretariat and implemented by UN-Habitat, UNDP and the Government of Lesotho.

CONTRIBUTORS:

UN-Habitat would like to express its great appreciation to the Ministry of Local Government and Chieftainship for their continued support and commitment to the development of the Housing Profile. A special thanks is also due to UN-Habitat's Regional Office for Africa (ROAf) for all the valuable support and contribution during the making of this publication.

UN-Habitat acknowledges the contributions of all the individuals and organizations whose names are listed below and those who contributed to the consultation workshops and interviews.

TABLE OF CONTENTS

Acknowledgments	iii
Acronyms and Abbreviations	viii
Foreword	x
Minister’s Message	xi
Executive Summary	xii
General	xii
The institutional framework for housing	xii
Housing supply.....	xii
Housing need.....	xii
Land	xiii
Housing Finance.....	xiii
Infrastructure.....	xiii
Construction industry.....	xiv
Housing market.....	xiv
Ways forward	xiv
01. Introduction	1
Introduction to Lesotho	1
Key indicators.....	1
Urban areas	6
HIV/AIDS.....	8
The Profile Sample Survey.....	8
02. The Policy and Institutional Frameworks in the Housing Process	11
Introduction	11
The legal and regulatory framework relating to housing	11
The Poverty Reduction Strategy’s (PRS) policy on shelter	15
Key players in housing	17
Private sector	22
Traditional leaders and customary landowners	23
Non-government organisations.....	23
Brief history of urban housing in Lesotho	24
Capacity needs assessment.....	26
Brief conclusion.....	27
03. Current Housing Stock	29
Housing conditions	29
Rooms occupied.....	35
Housing production	37
Private developers	38
Informal sector stock and suppliers	40
Brief conclusion.....	41
04. Population growth and distribution	42
Urban population	42
Household size and housing need according to LDHS	44
Household size and housing need according to the Profile Sample Survey.....	46
Income and ability to pay.....	48
Brief conclusion: estimating housing needs	52
05. Land for Housing	53
Introduction	53
Recent land reforms	54
Legal and regulatory framework governing land supply remaining from before the Land Act 2010	58
Urban land tenure	58
Key players in land for housing	60
Prices of land in the formal and informal sectors	63
Capacity needs assessment.....	63
Brief conclusion	65

1

2

3

4
