## ACKNOWLEDGEMENTS

The UN-HABITAT and Association of African Planning Schools (AAPS) leadership in Kenya would like to send a word of appreciation to all the participants in the UN-HABITAT and Association of African Planning Schools (Kenya Chapter) Consultation. These included heads of planning schools, representatives from relevant government departments, civil societies, UN-HABITAT, visiting faculties and representatives of planning professional associations.

We are confident that the aims of the workshop, **to explore ways of increasing mutual collaboration between UN-HABITAT and AAPS members in Kenya, and create a forum for the schools to discuss how they may promote AAPS objectives in Kenya**, were achieved to a larger extent. We are indebted to UN-HABITAT and the Centre for Urban Research and Innovations at the University of Nairobi for sponsoring this important workshop.

Much thanks to moderators Grace Lubaale and Professor Zachary Abiero-Gariy for ensuring smooth transitions through the whole workshop. Similarly, we appreciate the workshop organizers who strove to make the consultation process a success.
