Meeting this moment **7**

Section 02

Our support to national governments, local authorities and stakeholders 9

A. Urban data, profiling and monitoring **9**

1. Innovative city-wide slum profiling and enumeration 9

2. Urban Migration Profiles 12

3. City Resilience Profiling 14

5. Urban and spatial profiling for strategic planning and sustainable development 18

6. Assessing vulnerabilities, socio-economic situations, and facilities for inclusive cities 23

7. COVID-19 Readiness and Responsiveness Tracking Platform 28

B. Participatory processes **30**

1. Block by Block co-creating safe, inclusive and accessible public spaces 30

2. CityRAP. City Resilience Action Planning 33

3. Integrated urban planning in protracted crisis contexts 35

4. Building participatory accountability systems for city policies 39

5. Creating urban resource centres for young people in cities 42

6. Her City Toolbox 44

C. Policy, legislation, and governance **47**

1. Strengthen housing, land and property rights for peaceful societies 47

2. Legal frameworks to plan sustainable cities 50

3. National and Sub-national Urban Policies 52

4. Leaving no place behind: Strengthening urban-rural linkages 56

5. Policy, law and governance for climate smart cities 59

6. Urban law for informal settlements upgrading and prevention 61

7. MetroHUB: Supporting sustainable metropolitan and regional development 63

D. Planning and design **66**
1. Integrating global goals into urban development plans to guide urban transformation 66
2. Rapid planning studios 69
3. City-scale plan assessment 71
4. Promoting safe, inclusive and accessible public space 73
5. Planning for healthy cities and territories 77
6. Our City Plans Toolbox 79

E. Land, housing and shelter **84**
1. National Housing Strategies 84
2. Forced eviction prevention and Eviction Impact Assessments 87
3. Pro-poor, low cost land information system 89
4. Durable solutions for internally displaced populations and vulnerable communities in cities 92
5. Slum upgrading and prevention strategies for poverty and inequality reduction 94

F. Basic services and infrastructure **96**
1. Sustainable waste management and recovery of waste as a resource 96
2. Water and sanitation planning and infrastructure investments 99
3. Enhancing sustainability and effectiveness of water utilities through Water Operators' Partnerships 101
4. Sustainable urban mobility planning 104
5. Creating energy and resource efficient buildings 107

G. Economy and finance **109**
1. Enhancing Own Source Revenues (OSR) through rapid analysis 109
2. Land-based finance for good governance and inclusive development 112
3. Innovative financing arrangements and Public-Private-People-Partnerships (PPPPs) for slum upgrading 114

H. Climate change and cities **117**
1. Integrating human settlements in National Adaptation Plans (NAPs), Nationally Determined Contributions (NDCs), and National Climate Policies 117
2. Supporting urban low-emission development strategies 120
3. Guiding Principles for City Climate Action Planning 123
4. Planning for Climate Change: A Strategic, Values-Based Approach for Urban Planners 126
5. Climate Change Vulnerability and Risk: Community Assessments, Action Planning and Implementation 129

I. Capacity building **133**
1. Sustainable transfer of skills and knowledge to governments and urban stakeholders 133
2. Advancing government capacities through regional training centres of excellence 136
3. The Cities and Climate Change Academy (online) 138
4. E-learning platform and capacity building package for participatory slum upgrading 140
5. The Academy of Sustainable Urban Mobility (AoSUM) 142

J. Monitoring and Reporting for SDG Localization **145**
1. Voluntary Local Reviews 145
2. Global Urban Monitoring Framework 149
3. The Global Urban Indicators Database 152
4. Urban Observatories 154
5. Direct Support on SDG indicator monitoring 156

K. Innovation **158**
1. Challenge-driven innovation for local governments 158
2. United Nations Innovation Technology Accelerator for Cities (UNITAC) 161

Introduction

The United Nations Human Settlements Programme (UN-Habitat) is the United Nations agency mandated to support sustainable urbanization across the globe. Headquartered in Nairobi, the organization has ongoing projects and activities in all major regions of the world. This 2022 edition of the Catalogue of Services provides the current range of ways in which UN-Habitat can support national and local governments, partners and stakeholders to address their development challenges and advance sustainable and inclusive urban development using its services, expertise and tools.

The context for this Catalogue
