

UNHCR COVID-19 RESPONSE IN REFUGEE SETTINGS JULY 2021

7,161
cumulative cases
among refugees

1,014
in informal tented
settlements

6,249
total recovered
cases

330
total deaths

80,467
total Syrians registered
on IMPACT

25,243
vaccinations
administered to Syrians

WE INFORM

Mass communication and awareness raising on COVID-19 and vaccination

- **100%** of refugees known to UNHCR reached with information on COVID-19 and vaccination through SMS, WhatsApp Communication Tree, social media platforms and website
- **82,000 calls** related to COVID-19 assistance responded to by the joint UNHCR - WFP Call Center
- More than **3,000** community members trained and mobilized, among which **520** specifically on vaccination
- **6,413** COVID-19 awareness and information sessions conducted, reaching **118,000 persons**
- **2,1963** persons reached specifically on vaccination awareness by volunteers (OVs, CHVs) and partners through individual phone calls or home visits

WE SUPPORT

Hygiene kit distributions

- **24,340** hygiene kits distributed in refugee settings (informal settlements, non-residential and collective shelters)¹, reaching **278,316 persons**

Vaccination enrollment

- **8,368** supported by outreach volunteers for vaccination enrollment on the IMPACT² platform

WE TREAT

12 hospitals supported with expansion and rehabilitation works, hospital equipment, medical supplies and PPEs, including:

- **319** regular hospital beds
- **99** ICU beds
- **100** stationary and **20** portable ventilators

100% coverage for tests and treatment of refugee patients

- **3,194 COVID-19 tests** covered under UNHCR's referral care programme since the start of the pandemic
- **1,400 refugees** admitted for COVID-19 under UNHCR's referral care programme since the start of the pandemic

2 vaccination sites supported with medical supplies and loan of medical equipment

2 Primary Healthcare Centres (PHC) supported with construction works and medical supplies

Mobile vaccination teams deployed in refugee settings in North, Bekaa and South, leading to **759 vaccinations**

¹Dividing work, UNICEF focused on tented settlements and UNHCR on collective shelters
