Contributors

Adrian Atkinson is a visiting professor at the Technical University in Berlin. He is also associated with the Development Planning Unit (DPU) at University College London, where he developed courses in urban environment over many years.

Jean-Claude Bolay is the Director of International Co-operation, Federal Polytechnic University in Lausanne, Switzerland, and lecturer and researcher at that institution's Institute for Research on the Built Environment.

Batilda Burian is the Co-ordinator of the Sustainable Cities Programme, Dar Es Salaam, and a Member of Parliament of the Republic of Tanzania.

Karina Constantino-David is Professor of Community Development at the University of the Philippines, former Secretary of Housing and Urban Development from 1998–1999 and a Philippine NGO leader.

Jaime Joseph is a member of Centro Alternativa, an action-research NGO that works primarily in the Northern Cone of Lima, and is co-ordinator of a school for community leaders.

Alphonse Kyariga is a Programme Manager for the Sustainable Cities Programme in Tanzania.

Darshini Mahadevia teaches courses on housing and environment at the Centre for Environmental Planning and Technology in Ahmedabad, India, and is currently working on urban poverty issues in India.

Isabelle Milbert is Professor at the Graduate Institute of Development Studies in Geneva, Switzerland, and a consultant on multilateral and bilateral technical assistance for urban development.

Ngoc Du Thai Thi is Professor of Geography at the National University of Social Sciences in Ho Chi Minh City, Viet Nam, and Director of the Women's Studies Program at the Open University in the same city.

David Westendorff was a research co-ordinator at UNRISD from 1991 to 2001. He is now a researcher and consultant on urban governance issues based at the Center for the Study of Modern China at Tsinghua University in Beijing, China.

Sebastian Wust is a Ph.D. candidate at the Federal Polytechnic University in Lausanne, Switzerland and a consultant on social aspects of environmental protection in low-income settlements.
